1 BACKGROUND

1.1 HISTORY OF SB40 BOARDS

The progress of services to people with developmental disabilities and their families on a local, state, and federal level has consistently originated with the efforts of self-advocates, parents, and concerned professionals and citizens. These efforts ensured opportunities for people with developmental disabilities to fully participate and be included in their communities when a state statute, Senate Bill 40 (SB40), was enacted in 1969 that allowed the citizens of each Missouri county to vote on a property tax levy that would dedicate funding for support services for individuals with developmental disabilities. County Boards that were created as a result of this tax levy became commonly known as “SB40 Boards” after the Senate Bill that created them and will be referred to as County Boards throughout this manual. Pike County was the first county to pass SB40 enabling legislation, adopting it in May 1970.

In 1979, the Missouri Association of County Developmental Disabilities Services (MACDDS) was formed. It provides a forum for counties from across the state, each reflecting their local county voices, to share information, discuss common challenges, and advocate cohesively. All four County Boards in the Alliance are members of MACDDS.

1.1.1 Developmental Disabilities Advocates’ History

In 1978, the ARC campaigned for and Jefferson County voters passed Proposition S, the "Special Ones" to establish a new property tax to fund services for individuals with developmental disabilities. On August 17, 1978, pursuant to Senate Bill 40, the Jefferson County Court established and appointed the Jefferson County Commission for the Handicapped (JCCH), a board consisting of nine members - four board members related to handicapped persons and five members unrelated, to oversee this new property tax. Through the passage of Proposition S, a 10-cent levy was assessed on each \$100 of property evaluated. In 1985, the 10-cent levy was rolled back to six cents as a result of re-assessment, and in 1988 with the passage of Proposition H, the levy was increased by four cents restoring the levy back up to the original amount of 10 cents on each one hundred dollars of property evaluated. Today Developmental Disability Advocates (DD Advocates) administers over \$3 million in tax revenue annually.

1.1.2 St. Louis Office for Developmental Disability Resources’ History

The St. Louis Office for Developmental Disability Resources (DD Resources) was established in August 1980 by a 66% majority vote in the City of St. Louis. The initial vote allowed for five cents per \$100 assessed valuation to be collected. In 1988, the City brought forth and passed Proposition D by a 64% vote to increase the tax rate benefitting DD Resources from five cents to 15 cents per \$100 assessed valuation. DD Resources now allocates over \$5 million in tax revenue annually.

1.1.3 Developmental Disabilities Resource Board’s History

On February 14, 1977 the St. Charles County Association for Retarded Citizens kicked off a campaign to support passage of a SB40 tax in St. Charles County. On April 5, 1977 the levy passed and the Developmental Disabilities Resource Board (DDRB) was established to provide community-based programs and supports for citizens with developmental disabilities. In 1986, voters approved an increase to the levy, for a total of 16 cents per \$100 assessed valuation. The levy currently generates over \$12.5 million annually.

1.1.4 Productive Living Board's History

In 1978 the St. Louis Metropolitan Council on Developmental Disabilities began to work toward the passage of the property tax levy in St. Louis County. On April 3, 1979, St. Louis County citizens approved a 5-cent tax for the purpose of developing an SB40 Board to establish support services for people with developmental disabilities in St. Louis County. This generated approximately \$2.5 million in 1979. In 1989 an increase to a 9-cent tax was passed and currently generates over \$23 million annually.

1.2 HISTORY AND VISION OF EASTERN REGION ALLIANCE

1.2.1 Exploration and Discovery

Each County Board is guided by a similar mission focused on supporting people with developmental disabilities, within the framework of the state statutes. Each County Board created an organization with a structure that meets the unique needs of its community. Similarly, each County Board also encountered unique challenges and limitations related to data collection, access to services, management processes, and other core operational needs that created inefficiencies for County Boards and agencies alike. The County Boards funded services to the same target population by supporting many of the same organizations while using similar but not identical tools and processes, which resulted in additional inefficiencies and administrative burdens for agencies.

Building on a history of trusting and valuable relationships amongst the County Boards, the Executive Directors decided to explore innovative ways to address the challenges each was facing. From June through October 2018, the four County Boards that now make up the Eastern Region Alliance (the Alliance) embarked on a thorough exploration and discovery process that examined opportunities to align the standards, processes, and tools that support their work.

The exploration and discovery process included rigorous review of guiding documents from each County Board including funding manuals, quality standards, eligibility criteria, funding applications and reporting forms as well as related policies, procedures, and reports. Through an inclusive and collaborative process, the County Boards reviewed and clarified the content of these documents and compared each of their key processes related to consumer eligibility, funding applications, invoicing and reimbursement, quality assurance, and project monitoring.

Results indicated that the County Boards were more alike than not, and the leadership of the organizations believed alignment would be beneficial to agencies and County Boards and that taxpayers would support the creation of new efficiencies. They also determined that to fully realize the benefits of the alignment and provide the support the County Boards were currently each in need of, an integrated information technology system was required.

1.2.2 Execution of Shared Services Agreement

In January 2019, the Alliance entered into a formal Alignment and Integration agreement that solidified a commitment to alignment and officially launched efforts to establish an integrated technology system and a shared technology team. The integrated information technology system was necessary to provide the support that a truly aligned system, with identical billing and reporting procedures, required. This agreement reflected a spirit of a collective willingness to look holistically at the benefits of a collaboration for the region, while ensuring each County Board could demonstrate its accountability and transparency to the community.

The Alliance designed a comprehensive and collaborative process on an aggressive timeline to meld the four organization's agency-related practices into one. The processes each County Board had were deeply entrenched in each organization's culture and history, and the decision to "let go" of many of those required painstaking evaluation and discussion. County Board staff met at least once weekly throughout 2019 to reach consensus and develop the tools and processes critical to the FY'21 funding cycle. The Alliance invited agencies to take part in the process along the way to ensure the system we created was one that enhances their ability to provide quality services and mitigates the inefficiencies and inconsistencies of the past.

1.2.3 Vision

Through the Alliance the County Boards expect to:

- Address the varied challenges each of the County Boards face in achieving their missions efficiently and effectively;
- Manage technology as a strategic resource to securely unleash the power of data in driving process improvement and decision making;
- Relieve administrative burden and reduce costs associated with the duplicative and/or conflicting standards, policies, and processes that are placed on agencies;
- Create an environment and infrastructure that empowers the County Boards, as well as their funded agencies, to examine ways of operating more efficiently while responding to the unique support needs of individuals with intellectual and developmental disabilities and their families;
- Accelerate progress in measuring and articulating the impact of the services in helping people live empowered, meaningful, productive lives.

1.2.4 Guiding Principles

The purpose of our Guiding Principles is to articulate, affirm, and promote the characteristics of quality services and partnerships, to which we and our funded partners are committed and toward which we strive. These principles will guide our implementation of the Eastern Region Alliance's approach, processes, and tools and will be used to foster reflection and self-assessment for ourselves and our partners.

- People-Focused - We and our partners acknowledge the individuality and dignity of those we serve by including, respecting, and responding to their voices and needs as we plan and deliver our services.
- Culturally Responsive - We and our partners value the unique cultures of those we serve and seek to understand and respect those cultures by supporting people to express their identities freely.
- Well-Founded - We and our partners support programs, processes, and services that are founded on research, best practices, and our own learning. We can articulate the rationale and justification for our approaches.
- Goal-Directed - We and our partners ensure that our work is designed to meet specific, measurable goals and is implemented in the ways necessary to achieve results.
- Continuous Improvement - We and our partners gather, reflect on, and use information to continually learn and improve.

- Thoughtful Stewardship - We and our partners recognize that we are entrusted with taxpayer resources and aim to work in efficient and accountable ways that deliver the best possible return on our investments.
- Forward-Thinking - We and our partners strive to spark and support innovation that responds to the changing needs of those we serve and the changing environments in which we operate.
- Trusting and Trustworthy - We and our partners communicate honestly, presume positive intent, and follow-through on our commitments.

1.3 PURPOSE OF PARTNER FUNDING MANUAL

The Eastern Region Alliance has created this Partner Funding Manual as a central resource for County Boards and partner agencies. It expresses our commitment to ensuring the best possible outcomes for individuals with developmental disabilities by leveraging our relationships and taxpayer dollars in a wholly unique way. We believe that by redefining how County Boards partner with each other and with agencies, the community as a whole benefits. To do so, we must capitalize on the collective knowledge and capacity of our own teams and community partners and keep our focus on the people whose success depends upon us. We will do this by learning together, challenging the status quo, sharing our best thinking, and continuously seeking to do better.

This manual frames the principles of the Alliance and serves as the tool we all will use to foster shared understanding and support consistent implementation by the four County Boards. It provides an easily navigated, detailed description of processes for seeking funding, funding requirements, service guidelines, invoicing and reimbursement procedures.

2 FUNDING OVERVIEW

2.1 BOARD PRIORITIES

On an annual basis, each County Board determines the availability of funds to contract for services and may establish annual funding priorities for Cost of Living Adjustments (COLA), market rate adjustments (MRA), service expansion, and priority service development. County Board funding, in most circumstances, is to reimburse agencies for contracted services and expenditures.

2.2 FUNDED SERVICES

The following framework is a guide for County Board funding decisions and funded project service delivery. Each funded project falls within a Core Service, a Service Category, and a Service Type. The structure allows for differences in services, additional eligibility guidelines, caps/limits, methods of billing and guides projects on reporting outputs, outcomes and indicators as outlined in the Service Guidelines in section 3.5.

Table 1: Funded Services

Core Services	Service Categories	Service Type
Independent Living	Community Living services support individuals with establishing, developing, and maintaining skills needed to live in the community.	Pre-ISLA services are time limited and support individuals who currently reside in their natural home to build skills needed to transition to live independently
		ISLA services support individuals to live independently in the community. Supports promote the development of skills for independence so the individual can stay in his or her own residence and access the community.
		Independent Living Assistance Fund (ILAF) reimbursements provide individuals living in the community with furnishings and household items.
		Supportive Housing services support individuals and/or families with long-term housing needs. <i>(DD Resources Only)</i>
Community Connection	Community Integration services support individuals in accessing community and social life in self-directed, safe, and inclusive ways.	Camp services support individuals to access time-limited recreational and leisure activities.
		Socialization services support individuals to develop and/or maintain relationships and connections to their community.
		Retirement Support services support adults to develop and/or maintain relationships, connections to their community and to maintain health, safety, and fulfillment in their retirement years.

	<p>Professional Services are provided by qualified professionals and support the physical and/or emotional well-being of the individual and their caregiver(s).</p>	<p>Therapy (e.g. OT, PT, equine, etc.) services support individuals to access qualified professionals for Occupational, Physical, Speech, Equine and/or Behavioral Therapy.</p>
		<p>Counseling (e.g. Individual, Family, etc.) services support individuals and families to access qualified professionals to address emotional well-being.</p>
		<p>Adaptive Equipment & Assistive Technology services support individuals and families with accessing equipment, technology and/or home modifications that increases an individual's ability to safely and independently navigate home and community settings.</p>
	<p>Support Systems services strengthen the individual's natural and formal support systems.</p>	<p>Family Support services support individuals and families through education, training, parent-to-parent connections and linking to financial resources.</p>
		<p>Childcare services support children who require additional staff support to fully participate in school break programs and before and after school childcare.</p>
		<p>Advocacy services educate and seek to promote equality, rights and respect for individuals with developmental disabilities.</p>
		<p>Education Support services support individuals with gaining the knowledge and skills necessary to understand their own developmental disabilities, pursue personal interests, and build healthy relationships with others.</p>
		<p>In-Home Support (respite) services provide intermittent, short-term relief to the primary caregivers.</p>
		<p>Facility-Based Support (respite) services provide intermittent, short-term relief to the primary caregivers in a setting outside of the natural home.</p>
	<p>Community Transportation</p>	<p>Community Transportation services support individuals to access the community through safe and reliable transportation.</p>
<p>Employment</p>	<p>Employment Training services support individuals, who may or may not be employed, to develop the skills necessary to obtain and maintain employment in the community.</p>	<p>Youth Employment Training services are time limited and support youth who are currently enrolled in school to develop the skills necessary to obtain and maintain employment in the community.</p>
		<p>Adult Employment Training services are time limited and support adults, post high school to develop the skills necessary to obtain and maintain employment in the community.</p>

	Employment Services support working individuals to develop and maintain the skills necessary for employment and/or advancement.	Sheltered Employment services provide a supervised employment option with pay based on productivity. Supported Employment services support individuals in competitive, integrated work settings.
	Employment Transportation	Employment Transportation services support individuals to access employment through safe and reliable transportation.
Agency Supports	Agency Supports fund the development and effectiveness of partner organizations.	Capital Funding can be used for equipment or assistance with maintenance or construction of facilities used in the delivery of services.
		General Operating Funding can be used for staff supporting delivery of services.
		One-Time Funding is short term, time limited and project specific.
		Emergency Funding is short-term funding for an agency facing an emergency situation which jeopardizes the continuation of services.

2.3 STRUCTURE OF FUNDING FRAMEWORK

To support the creation of a shared vocabulary and informational technology system – including a portal through which agencies submit funding requests, invoices, and reports online – the Alliance developed a shared framework for describing and structuring its funding.

Agencies seek funding for their Services, which are each classified within a Service Type, Service Category, and a Core Service. Projects represent a collection of funded Services within an agency. The table below illustrates the structure of an example Project:

Table 2: Structure of Funding Framework

Core Service	Employment	
Service Category	Employment Training	
Service Type	Adult Employment Training	
Services	Talent Connect	Vocational Skills Training

2.4 TYPES OF FUNDING

There are two primary types of funding for services: Purchase of Service (POS) and Reimbursement Grant Funding.

2.4.1 Purchase of Service

A Purchase of Service (POS) Funding Contract funds a unit rate, typically for one-hour of face-to-face service/supports. Agencies may bill in quarter hour increments. All services may be provided virtually or by phone with the exception of Childcare, Facility-Based Support and Transportation. Sheltered Workshops may provide limited virtual supports. Annually, County Boards will review the following in order to establish a unit rate for each funded service:

- The agency's County Board Project budget and unit projections submitted with the Funding Request
- Most recent independent audited unit cost
- Comparison of budget/unit cost for similar services within the region
- Current year's County Board contracted unit rate and actual units provided year-to-date
- Previous years' costs and utilization
- Any other factors that may affect the unit cost

If an audited unit rate review results in a rate that is less than the contracted rate, the County may consider requesting a repayment and/or adjusting the current contracted unit rate.

2.4.2 Reimbursement Grant

A Reimbursement Grant funds a percentage of the actual program expenses incurred or specific line items for services/supports. The cost of ongoing services/supports include expenses/fees directly related to the project as listed in the Project budget. Grant funding requests may be approved with, or without, the requirement to list individuals served on the invoice.

2.4.3 Stipends or Subsidies

Various stipends or subsidies are available for individuals, families, and/or service providers to attend conferences, trainings and other events related to developmental disabilities and the needs of those with developmental disabilities. See sections 10.3.2.1, 10.3.4.2.1, 10.3.4.2.2, 11.3.1.2.

3 FUNDING REQUIREMENTS

The Alliance supports an array of services for individuals with developmental disabilities and seeks to collaborate with agencies committed to meeting the needs of individuals in ways that ensure they maintain or increase their levels of independence in their communities. In order to be eligible for funding and to demonstrate the Alliance's Guiding Principles, funded agencies and projects will provide the required documentation and demonstrate the following Standards.

3.1 AGENCY ELIGIBILITY REQUIREMENTS

Eligible agencies are not-for-profit corporations, governmental entities, and for-profit agencies recognized by the state of Missouri, who submit the following documentation. Any documentation exemptions approved for an agency will be indicated in the portal.

3.1.1 Corporate Information

Agencies must submit the following with their first Alliance Funding Request. Subsequent Funding Requests simply require agencies to affirm they possess the following documentation:

- Certificate of Good Standing
- Articles of Incorporation
- IRS Determination letter

Agencies must submit the following with their first Funding Request and submit revisions thereafter (including a summary of revisions):

- Bylaws
- Cost Allocation Methodologies (see sections 3.3.1.5 and 3.3.1.6)
 - Project Costs
 - Administrative Costs

Agencies must submit the following annually upon completion:

- Audit (within 180 days of the close of agency's fiscal year)
- IRS Form 990
- Certificate of Insurance (see section 3.1.3)

Agencies must obtain a signed Board Resolution that authorizes the agency to seek County Board funding and identifies those authorized to sign contracts.

3.1.2 Audit and Audited Unit Cost Report

Agencies funded by a County Board and/or having an outstanding loan from a County Board will have an audit performed by an independent firm or individual licensed by the Missouri State Board of Accountancy and conducted in accordance with generally accepted accounting principles (GAAP) as outlined by the American Institute of Certified Public Accountants.

The audit report should include:

- A statement of functional expenses;
- A management letter and the agency’s response to the management letter if recommendations for improvement are cited;
- An audited unit cost report for all services funded through a purchase-of-service agreement. The report may reflect combined activity for same service in all counties within the Eastern Region Alliance and should include all program costs and all units provided and all direct costs and appropriately allocated indirect costs of units of service provided. Purchase of Service contracts for less than \$50,000 are exempt from completing an audited unit cost report.

Agencies will submit their audited financial statements within 180 days of their agency financial year-end or project ending date. Requests for an extension to the 180-day due date can be made in writing to the finance staff of each County Board contracted with, prior to the 180th day, stating the need for the extension. If an audit is not received within 270 days, Executive Directors are notified, and County Board of Directors may decide to withhold payments.

Agencies may request, in writing, a waiver of the audit requirement prior to signing the Funding Contract. If waiver is granted, the exempted agency will submit year-end financial statements signed by their board treasurer.

3.1.3 Certificate of Insurance

Agencies will maintain in full force throughout the contract term, at its own cost and expense, one or more policies of Comprehensive General Liability insurance acceptable to the County Board(s), insuring Agency as named insured and County Board(s) as additional insured (and such other person or persons designated by County Board) against liability for injury or death of any person or persons and damage to property in or about the premises.

Each such policy will be issued by an insurer having a minimum Best Rating of B+ and will contain provisions that it cannot be canceled or amended, insofar as it relates to the Premises, without at least thirty (30) days prior written notice to the Board.

Insurance Coverages required for all agencies with minimum coverages to be maintained as follows:

Table 3: Required Insurance Coverages

Indemnity	Minimum
Commercial General Liability	\$1M per occurrence \$2M per aggregate
Auto Liability (Bodily Injury, Property)	\$1M per occurrence
Employer Liability (Workers’ compensation)	\$500k per incident
Building and Personal Property	Replacement cost
Directors and Officers Liability	\$1M
Fidelity Bond or Crime	Minimum fidelity or crime insurance coverage limits should be equal to the largest amount of any of the County Board Funding Contract.
Umbrella Coverage	\$1M

Additional Insurance Coverages required for agencies with funding over \$100,000 from any one County Board include:

Table 4: Additional Insurance Coverages Required

Indemnity	Minimum
Business Interruption	1 year loss sustained
Employment Practices Liability	\$1M
Fiduciary Liability	\$1M
Cyber Insurance	Investigate risk and insure accordingly

Annually, agencies must submit certificate of insurance coverage that meets the above requirements. An agency may submit a letter requesting a waiver for a required level of insurance coverage. Each County Board funding the agency is to receive the same letter which will specify details supporting the request for the waiver. Each County Board staff will review and submit the letter to their Board’s for consideration. Each funding County Board must approve the waiver for it to become valid.

3.2 QUALITY ASSURANCE AND CONTROL

Quality Assurance (QA) is the practice of designing work (services, processes, etc.) in ways that ensure they will meet customer expectations. In this case, “customers” include those who purchase services, those who participate in services, and those who benefit from services: County Boards, individuals with developmental disabilities, and their families and communities, respectively.

Quality Control (QC) processes and tools, on the other hand, monitor the degree to which the work is implemented as intended and the degree to which it actually meets standards. Funded agencies are expected to monitor their adherence to the Alliance’s Standards.

The table below summarizes Quality Assurance and Control as applicable to the Alliance Standards.

Table 5: Quality Assurance and Control

	Quality Assurance	Quality Control
What is it?	Preventive efforts to design processes and procedures that can/should meet each Standard	Strategies to monitor the implementation of plans and procedures designed to meet each Standard
Answers the Question	“What <u>will</u> we do to meet the standard?”	“What <u>did</u> we actually do, and <u>did</u> that meet the standard?”
What tools or processes can support it?	<ul style="list-style-type: none"> ● Process maps ● Operating procedures ● Plans ● Manuals ● Responsibility Charts 	<ul style="list-style-type: none"> ● Checklists ● File reviews ● Observations ● Surveys
What does the Alliance require?	Documentation of how the agency intends to meet Standards	Agencies are able to describe their processes for and results of internal review of the Standards

During the Partner Review Meeting (PRM) (see section 3.6.3.1), County Board and agency staff will review relevant documentation of Quality Assurance efforts (i.e. policies, procedures) as outlined in the Standards and will discuss the agency's Quality Control efforts. When additional clarification is necessary to assess the demonstration of Standards and to ensure effective stewardship, the Alliance may request to review documentation of Quality Control efforts.

3.3 STANDARDS

As reflected in our Guiding Principles, the Alliance strives to be a trusting partner that honors the expertise of agencies while also being a thoughtful steward of the public trust and taxpayer dollars. To this end, the Alliance has written our standards to allow agencies' maximum flexibility while exercising the oversight necessary to responsibly steward taxpayer dollars and protect individuals. Standards can include one or more types of requirements:

- Required Documentation - These standards describe what documentation agencies must have (policies, procedures, audits, etc.).
- Required Content - In some cases, the Alliance's standards also describe what those required documents must contain in terms of content areas or specific content.
- Required Practices - In very few cases, the Alliance prescribes specific practices or procedures funded agencies must follow.
- Demonstration of Standards or Principles - Whenever possible, the Alliance has written standards that describe what an agency's practices must achieve without specifying how an agency achieves it.

For a description of how agencies will demonstrate and how the Alliance will assess agencies according to Standards, please see section 3.6.

3.3.1 Agency Standards

Agency Standards outline the documentation, policies, and practices that the Alliance requires of all funded agencies.

3.3.1.1 Agency Policies

Background Checks - Agencies will have a Board-approved policy and documented procedures regarding the completion of background checks for all staff and volunteers who will be in contact with individuals served with County Board funds. Background checks must be conducted prior to the start of an individual's work (volunteer or paid) with an agency and then annually thereafter. Agencies will use the Family Care Safety Registry (FCSR) to complete background checks. If the FCSR indicates findings, the agency must request the additional information regarding these findings from the FCSR. Agencies will use the Disqualifying Crimes Pursuant to the Missouri Revised Statute 630.170 when determining eligibility for employment or utilization of volunteers. The statute requires that agencies will not employ individuals reported as having engaged in disqualifying conduct.

Individual Rights - Agencies will have a Board-approved policy regarding the rights of individuals served. Individual rights will be communicated to all individuals receiving services.

Non-Discrimination in Services - Agencies will have a Board-approved policy affirming that the agency's services will be available to individuals without regard to race, color, religion, national origin, sex, disability, age, military or veteran status, sexual orientation, gender identity or any other factor prohibited by law.

Incidents - Agencies will have a Board-approved policy and documented procedure regarding critical incidents. The policy will outline a clear and systematic method of (a) documentation, (b) notification, (c) investigation and (d) follow-up. The following incidents will be classified as critical incidents: death of an individual receiving services; an injury that results in the hospital admission of the injured person; or an injury requiring medical intervention (greater than minor first aid); report of abuse/neglect; elopement with law enforcement contacted or involved; criminal activity reported to law enforcement involving consumer as perpetrator or victim; fire, theft, or natural disaster resulting in extensive property damage, loss or disruption of service.

The agency will contact the respective County Board(s) when there is an incident involving media and/or law enforcement immediately.

Grievance - Agencies will have a Board-approved policy and documented procedure for receiving, processing, and resolving individual complaints. The grievance policy will be communicated to all individuals receiving services.

Record Retention - Agencies will have a Board-approved record retention policy. Agencies will maintain all County Board funded project documentation, including details of actual expenses, individuals receiving services, and dates of service for seven (7) years.

3.3.1.2 Legal Compliance

Agencies will comply with applicable federal, state and local laws, executive orders, regulations, and policies governing the funded project, including but not limited to those applicable to conflict of interest, harassment, non-discrimination in hiring, anti-terrorism, and privacy.

3.3.1.3 Annual Budget

Agencies will establish a documented fiscal year operating budget that is approved by its Board on an annual basis.

3.3.1.4 Financial Controls

Agencies will demonstrate financial management controls and record keeping, reports, systems and procedures for monitoring the fiscal position of their agency, which are reviewed by its Board. These are to be in accordance with Generally Accepted Accounting Principles (GAAP).

3.3.1.5 Allocation of Project Costs

Agencies will have a documented process for allocating project costs, which will be reviewed at least annually.

3.3.1.6 Allocation of Administrative Costs

Agencies will establish the overall cost of general administration of their organizations. These costs will be allocated through a formula that spreads costs equitably to all cost centers within their agency.

The method of allocating these costs will be documented and should be reviewed annually. Actual administrative costs that do not exceed 15% of the agency's total project expenses may be included in the cost of services reimbursed. Administrative costs should not include fundraising costs.

3.3.1.7 Publicizing Funding

The Alliance values opportunities to educate taxpayers about how tax dollars, through County Board funding, are being invested in community programs that increase the independence and the quality of life for individuals with developmental disabilities. Identifying County Board(s) as a funding partner acknowledges the community's contribution while educating the public on the quality supports and services available to its citizens with developmental disabilities.

Agencies will acknowledge the County Board(s) as a funding source whenever publicizing funded programs in press releases, articles, media reports, interviews, videos, electronic publications, website, oral and poster presentations, printed brochures, exhibits or other materials.

3.3.2 Project Standards

Project Standards outline the Alliance's requirements for the implementation of funded Projects.

3.3.2.1 Individual Eligibility Requirements Qualifying Disabilities

The following summarizes the eligibility requirements for the four County Boards.

- 205.968 - 205.972 RSMo (DD Resources and PLB)
 - 1) A disability which is attributable to an intellectual disability, cerebral palsy, autism, epilepsy, a learning disability related to a brain dysfunction or a similar condition found by comprehensive evaluation to be closely related to such conditions, or to require habilitation similar to that required for intellectually disabled persons: (1) which originated before age eighteen, and (2) which can be expected to continue indefinitely.
 - 2) "Person with a disability" shall mean a person who is intellectually disabled who is lower range educable or upper range trainable intellectually disabled or a person who has a developmental disability.
 - 3) Persons having substantial functional limitations due to a mental illness as defined in section 630.005, RSMo shall not be eligible for services under the provisions of section 205.968 to 205.972 except that those persons may participate in services under the provisions of sections 205.968 to 205.972.

OR

- 630.005 RSMo (DD Advocates, DD Resources, DDRB, and PLB)

A disability which is:

 - 1) Attributable to:
 - a. Intellectual disability, cerebral palsy, epilepsy, head injury or autism, or a learning disability related to a brain dysfunction; or
 - b. Any other mental or physical impairment or combination of mental or physical impairments, and is
 - 2) Manifested before the person attains age twenty-two; and

- 3) Likely to continue indefinitely; and
- 4) Results in substantial functional limitations in two or more of the following major areas of life activities:
 - a. Self-care - Daily activities which enable a person to meet basic needs for food, hygiene, and appearance; demonstrated ongoing ability to appropriately perform basic activities of daily living with little or no assistance or supervision.
 - b. Proof of Disability

The Alliance accepts the following as proof of disability:

- 1) DMH/DD I.D. Number - Individuals determined eligible for Department of Mental Health (DMH) services and have a DMH/DD I.D. number can access services; after the age of 5, if the individual is determined eligible by DMH they remain eligible for services;
- 2) DESE Certification - Sheltered Workshops may use the DESE Certification, with reference to a developmental disability diagnosis;
- 3) First Steps Individualized Support Plan (IFSP) - Children ages 0 to 3rd birthday enrolled in MO First Steps Agencies must submit the child's MO First Steps IFSP, page 1 only. After the 3rd birthday, re-evaluation documentation is required. (DD Resources, DDRB, and PLB only)

Agencies may choose to provide services to individuals who have not yet been determined eligible. Agencies that choose to provide services are encouraged to track units of services provided and may back-bill for those units if the individual is deemed eligible within the current fiscal year only. County Boards may approve funding on a case-by-case basis.

DD Resources and PLB

Agencies serving individuals who are not deemed eligible by the Department of Mental Health may provide a signed statement from a physician, nurse practitioner, psychologist or LCSW as proof of a developmental disability. Proof of disability is only required once, upon enrollment.

For Supported Employment Services only, agencies may use the VR Disability Verification document, which states one of the following diagnoses: Autism, Cerebral Palsy, Epilepsy, Intellectual Disability.

For children under the age of 17, agencies may use a current Individual Education Plan (IEP) which states one of the following diagnoses: Autism, Cerebral Palsy, Epilepsy, Intellectual Disability. Re-evaluation documentation is required when the triennial evaluation expires.

3.3.2.2 Other Project Funding and Waiver Recipients

Agencies are encouraged to access and utilize all other funding sources (e.g. Medicaid, insurance, EMAP Funding, etc.) when available prior to expenditure of County Board funds. It is the responsibility of the agency to document that a service is not reimbursable under other sources of funding.

3.3.2.3 Residency Requirements

Each County Board's funding is restricted to the residents of its county. County Boards may approve funding on a case-by-case basis for individuals who do not fall within this definition.

3.3.3 Documentation

Agencies will demonstrate that they have sufficient tools and processes to ensure services are designed and delivered in ways to meet individual needs. Agencies must maintain documentation of service delivery that includes information necessary to: a) verify number of billable units, b) demonstrate that invoices align with service guidelines, and c) demonstrate that invoices align with the funding contract and service profile.

3.3.4 Safety

Agencies will demonstrate that their safety procedures address the safety risks and needs of the services provided.

3.3.5 Human Resources

3.3.5.1 Capacity

Agencies will maintain adequate staffing levels to deliver services according to the Alliance's Service Definitions and in compliance with their Funding Contract.

3.3.5.2 Training

Agencies will demonstrate that training ensures direct service providers/volunteers have the competencies necessary to deliver the services as described in the funding contract. Additionally, agencies must ensure designated staff are trained in the following areas:

- OSHA/Blood-borne Pathogens – All direct service providers/volunteers

- HIPAA/FERPA – All direct service providers/volunteers
- Behavior Prevention/Intervention – All direct service providers who serve individuals requiring behavior support
- First Aid/CPR – Agency will determine adequate number to ensure safety
- Medication Administration – All direct service providers who pass medications

3.3.5.3 Qualifications

Agencies will ensure that employees have the appropriate licensure and/or certification as required for the Service being provided. Agencies will verify and maintain documentation of current license/certification of required staff qualifications as indicated in the job description(s).

3.4 OUTCOMES

The Alliance developed a standardized list of Outcomes that reflect the impact it aims to make with the services it funds. The Alliance uses outcome data to measure the impact of funded services, assist in funding decisions, and demonstrate a return on the community's investment.

Outcomes answer the question "What are we trying to accomplish?" Outcomes describe the intended impact of the service on the people being served. Outcomes can often be broadly stated and conceptual in nature.

Indicators answer the question, "What will that look like?" Indicators translate Outcomes into more specific and measurable terms, providing operational definitions of the concepts within an Outcome.

The Alliance has defined some measurable Indicators for each Outcome. There are often many possible Indicators that a given Outcome has been achieved; those listed here represent the Indicators most aligned with the goals of each Service Type. Agencies have the option of suggesting alternative indicators.

In the Service Profile for each funded service, agencies will select the Outcomes and Indicators that best capture the impact those services are intended to make. These selections should reflect the service's intentions, design, and focus and align with the description of the program within the Profile. In the Funding Request, agencies set specific numeric goals for how many individuals *are eligible to* achieve the Indicator (denominator) and how many you expect *will* achieve the indicator (numerator) in that funding year. In the Year End Results report, agencies will report on their actual Outcomes.

The Alliance will provide training, technical assistance, peer learning opportunities, and resources to assist agencies in selecting the Outcomes and Indicators that best fit their project; selecting, adapting, or designing measurement tools that are meaningful and manageable; and collecting data.

3.4.1 Outcomes & Indicators

3.5.7.2 Supported Employment

Supported Employment Service Guidelines	
Service Definition	Services support individuals in competitive community employment.
Billable Activities	Contact may be with the individual, employer or others as it relates to that individuals' supports. Support may be provided at a mutually agreed upon location.
Caps and/or Limits (all Counties)	Agencies may increase the level of support provided in response to certain circumstances that result in increased support needs, such as: changing job duties, changing supervisors, performance issues, or life crises.
Caps and/or Limits (DD Resources and PLB)	If utilization will exceed 40 hours in any month, agencies will submit an Employment Cap Form for approval prior to submitting the monthly invoice.
Caps and/or Limits (DDR and DD Advocates)	If utilization will exceed 6 hours in any month, agencies will submit an Employment Cap Form for approval prior to submitting the monthly invoice.
Output Reporting Requirements	<p>Supported Employment projects must report:</p> <ul style="list-style-type: none"> • Number of individuals earning wages within specified ranges • Number of individuals who received pay increases for reasons other than a minimum wage increase • Number of individuals working hours per week within specified ranges • Number of individuals with a tenure within specified ranges • Number of individuals receiving benefits (by type) • Number of individuals working in a position of their choice • Number of individuals who left, by reason (relocated, obtained new job, no longer able to work, retired, etc.)

Supported Employment Service Guidelines	
Individual Eligibility Requirements	<p>Individuals are eligible if:</p> <ul style="list-style-type: none"> • The individual's funding for employment services through the Division of Vocational Rehabilitation has ended and the individual requires job coaching/retention less than 25% of the hours worked. • The individual is currently employed and has requested on the job support/retention services from a funded agency. • The individual is a student who has a part-time job and need minimal job retention services.
Special Considerations	<p>In the event an agency is able to reduce paid support to existing individuals and serve new individuals, it is the agency's responsibility to plan for and budget accordingly to cover the costs to continue providing support to the new individuals on an annual basis within the agency's current appropriation.</p> <p>Individuals receiving Employment services may on occasion choose to receive support from another Employment provider. In this event, the funder may transfer funds from the current Employment services provider to the new provider of choice, as long as the agency is a funded Employment services provider.</p>

3.5.8 Employment Transportation *(see sections 8.3.3, 9.3.1, 10.3.3, and 11.3.2)*

Service Definition	Services support individuals to access employment through safe and reliable transportation.
Billable Activities	Billable unit is a one-way trip or mileage.

3.5.9 Agency Supports

Agency Supports fund the development and effectiveness of partner organizations.

3.5.9.1 Capital Funding *(see sections 8.3.4, 9.3.2, 10.3.4.1, and 11.3.3)*

Service Definition	Capital Funding is for equipment or assistance with maintenance or construction of facilities used in the delivery of services.
--------------------	---

3.5.9.2 General Operating

Service Definition	General Operating Funding is for staff supporting delivery of services.
--------------------	---

3.5.9.3 One-Time *(see section 10.3.4.2)*

Service Definition	One-Time Funding is short term, time-limited and project-specific.
--------------------	--

3.5.9.4 *Emergency Funding*

Emergency Funding	
Service Definition	Emergency Funding is short-term funding for an agency facing an emergency situation which jeopardizes the continuity of services. Emergency is defined as a "need" which if not satisfied/resolved, will be actual and have an immediate detrimental effect for person(s) with a developmental disability, staff, project, Agency, facility, equipment, etc. Detrimental effect shall be clearly, specifically, and concisely stated.
Procedures	<p>Procedures for emergency request</p> <p>A. The Agency shall telephone or email the Executive Director or Designee as soon as possible and briefly describe the emergency/crisis.</p> <p>B. The Agency shall submit in writing a request (letter) to the Executive Director or Designee. This letter shall include the following:</p> <ol style="list-style-type: none"> 1. Provide a brief description of the nature of the emergency/crisis. 2. Identify cause of the emergency/crisis. 3. Describe the detrimental effects for the person(s) with a developmental disability, staff, program, Agency, facility, equipment, etc. Be clear, specific, and concise. 4. Describe efforts already undertaken to resolve the emergency/crisis. 5. Provide detailed information indicating specifically what amount of funds the Agency is requesting and amount of funds to be received from other sources. Include the actual cost and the time frame within which action needs to be taken. <p>C. Following receipt of the request for emergency funding the request will be copied and distributed to members of the Board for their consideration.</p>

3.6 REPORTING & MONITORING

In order to ensure that the Alliance is carefully and effectively investing taxpayer dollars in services that demonstrate a positive impact on the lives of those they serve, the Alliance collaborates with agencies to enhance agency and project performance. Through processes of self-assessment, appreciative inquiry, and thought partnership, the Alliance and its partners: 1) ensure that agencies and projects are demonstrating the Alliance's standards, 2) identify and share promising practices with the network, and 3) build our collective capacity.

3.6.1 Service Reporting Requirements

3.6.1.1 Project Update

In the Alliance Portal, agencies will complete a Project Update that will assist agencies and County Board staff in preparing for the annual Partner Review meeting (see section 3.6.3.1). The format will be short answer and will include the following:

- Utilization - Describe conditions contributing to this project's utilization and summarize your expectations for the remainder of the year.
- Challenges and Successes - List any barriers, challenges, or threats to this project and describe your plans to respond to or overcome each. Please list any achievements or successes.
- Measurement - Describe any challenges or successes you are having with measuring your selected indicators.
- Satisfaction - Review the results of the annual surveys the Alliance has received for your project. Describe how your organization plans to act upon this information.
- Demand - Has this project experienced any marked increase in demand for services during this reporting period? If yes, please explain.

3.6.1.2 Year End Results

At the conclusion of each funding year, in the Alliance Portal, agencies will report on selected Indicators, project-specific Outputs as required in the Service Guidelines, and success stories for each funded project. Each County Board will aggregate the quantitative data submitted by agencies and create reports for their Boards and external stakeholders that demonstrate the return on taxpayers' investments.

3.6.1.3 Policy Submissions

Two weeks prior to an agency's scheduled Partner Review Meeting, an agency representative must submit via the Alliance Portal copies of the agency's Board-approved policies, which are required in the Agency Standards (see section 3.3.1.1).

3.6.2 Financial Reporting Requirements

Throughout the funding year, agencies will submit corporate and financial information and reports, which will be reviewed by the funding County Boards' finance staff.

Table 6: Financial Reporting Requirements

Documents Required	Submission Method	Due Date
Six-Month Unaudited Agency Financial Statements - Profit & Loss Statement - Balance Sheet	Alliance Portal	30 days after mid-point of Fiscal Year
Agency’s Fiscal Year Operating Budget with documentation of Board approval (see section 3.3.1.3)	Alliance Portal	Upon Annual Board Approval

3.6.3 Service Monitoring Processes

3.6.3.1 Partner Review Meeting

The purpose of the Partner Review Meeting (PRM) is to gather information that can be used to inform funding decisions, strengthen the partnership, and ultimately increase impact. Partner Review Meetings will occur annually. When a project receives funding from more than one County Board, the funding Boards will conduct a combined meeting. Below is an outline of the meeting:

- Review Prior Year
 - Year-End Results (see section 3.6.1.2)
 - Outcomes
 - Outputs
 - Survey Results
- Progress of Current Year
 - Demonstration of Standards (see section 3.3)
 - Background Checks
 - Individual Rights
 - Capacity
 - Training
 - Safety
 - Service Documentation
 - Adherence to Service Guidelines (see section 3.5)
 - Progress on Outcome/Indicator Measurement (see section 3.4)
 - Utilization Trends
 - Successes and Challenges
- Prepare for Next Year
 - Review Service Profile (service description, target population, etc.)
 - Review Funding Request (units, budget, etc.)

At the conclusion of the visit, the participating County Board staff will develop consensus and provide a summary report that includes the following components that will be shared with the agency and with the Boards of Directors of the funding counties:

- Observations - These include feedback on the degree to which the Project demonstrates the Alliance's Standards and Guiding Principles.
- Action Items - These include follow-up items for both the agency and the County Board(s). For agencies, this could include the identification and implementation of changes to policies or procedures that could better demonstrate the Standards or Guiding Principles. For the County Boards, this could include the provision of technical assistance, opportunities for peer learning, or sharing the promising practices observed.
- Capacity Needs - Through our discussion of successes and challenges, the Alliance will identify capacity-building opportunities.
- Opportunities for Improvement - During the Partner Review Meeting, agencies will have the opportunity to provide candid feedback on the Alliance's new framework and procedures, which will assist the Alliance with ongoing quality improvement.

3.6.3.2 Project Visits

Annually, representatives of at least one County Board funding each project will visit the agency to observe the project, as appropriate. The purpose of this visit is to see, experience, and better understand an agency's services, context, expertise, and challenges.

3.6.4 Financial Monitoring Processes

Financial Reviews are intended to assess the overall financial controls and conditions of an agency and occur on an ongoing basis. County Board finance staff will consult and share information with their Alliance counterparts when reviewing jointly funded agencies. Financial Reviews include three components, which are outlined below.

3.6.4.1 Invoice Verification

On an ongoing basis, the Alliance will randomly select for review a small sample of invoices from the pool of all invoices from all agencies. The Alliance will request supporting documentation to verify the number of units or costs billed for select lines within a selected invoice. County Board finance staff will notify the agency of the invoice integrity upon completion.

3.6.4.2 Financial Report Review

County Board finance staff will review the required financial reports (see section 3.6.2) to calculate financial ratios for the purpose of assessing short- and long-term financial stability. County Boards may request to review additional documentation in order to better understand and assess the agency's financial position and thus to ensure effective stewardship and demonstration of standards.

3.6.4.3 Audited Unit Rate

Annually, County Boards will review the agency's audited unit rate. If the audited unit rate reflects a lower unit rate than the County Board contracted unit rate, the County Board may consider requesting a repayment and/or adjusting the current contracted unit rate. A County Board may require additional unit rate verifications. See section 11.5.1 for PLB's requirements and review procedures.

3.6.4.4 Feedback

At least quarterly, County Board finance staff will convene to discuss any questions or observations related to ongoing financial reporting and monitoring. The funding counties' finance staff will collaborate to identify items that require clarification or action and document those in a letter to the agency's Finance Director. Agencies will respond within 10 business days.

3.6.5 Financial Review Meeting

At least once every three years, finance staff of each County Board funding an agency will conduct a joint Financial Review Meeting with the agency. Meetings may be scheduled more frequently, at the discretion of County Boards, based upon observations or questions that arise during ongoing financial monitoring. County Boards' finance staff will contact agencies to schedule a Financial Review Meeting and provide agencies with information and materials to support their preparation for the meeting, at least 30 days prior to the review. The purpose of the meeting is to gather information that can be used to further assess the financial position of the agency, strengthen the partnership, and inform funding decisions.

Upon completion of Financial Review Meetings, County Board finance staff will send a letter of review, noting observations, findings, or funding implications to the agency's Executive and Finance Directors and will be maintained in County Board agency general file. Results may also be shared with both the County and Agency board members.

An Observation is a minor deviation from Alliance standards. A Finding indicates a substantial non-compliance with Alliance standards or policies and requires a plan of action. Within 20 business days of receiving a letter containing findings, the agency will respond with an action plan and timeline to address the finding(s). If the agency is unable to prepare an action plan, the issue may be elevated to the County Board Executive Director and/or Board of Directors.

3.7 ANNUAL SURVEY PROCESS

County Boards will seek feedback regarding funded services annually by sending out a survey to all individuals who received funded services in the past fiscal year. The purpose is to ensure service excellence and identify future needs.

4 FUNDING

Agencies seeking funding must submit a Funding Request that includes the Service Profile and Budget for each service within a Project. Funding Requests will be submitted via the Alliance Portal.

4.1 THE ALLIANCE PORTAL

The Alliance Portal represents the culmination of the Alliance's efforts to reduce duplicative and unnecessarily burdensome administrative processes for agencies. This custom-designed, secure website not only supports the collection of data but also supports efficient and effective management with dashboards of real-time data and automated processes. Through the Portal, agencies will seek and manage their funding, enter billing, and submit financial and service reports. Agencies will designate an administrator that is tasked with assigning agency users within the Alliance Portal, which will grant them access to the necessary Portal data and functions. The Agency Administrator will enter and regularly update contact information by project.

4.2 SERVICE PROFILES

A Service Profile is a description of the service for which an agency is seeking funding. Agencies must complete a Service Profile(s) and update annually as needed. Proposed changes must be discussed with the appropriate County Board staff prior to making updates. Additional instructions can be found in the Alliance Portal. The Service Profile may contain the following sections:

- Impact: Description of how the individual and/or their support system will be impacted as a result of receiving this service.
- Need for Service: Description of need for the service.
- Program Design: Description of how the service will be provided.
- Target Population: Description of individuals to be served including relevant criteria such as age, diagnosis, eligibility criteria and other relevant characteristics.
- Intensity/Duration: Description of when the service will occur including relevant descriptors such as frequency, seasonality, or business hours and any changes in service intensity over the course of service.
- Location: Select all locations where services are provided (Individual's home, Community, Job Site, Camp, School, Other).
- Level of Support: Description of support provided. Examples: Individual or group. What is the staff to individual ratio?
- Unit of service: Description of unit. Examples: one hour, day, trip, event, etc.

4.3 FUNDING REQUEST

The Funding Request is the required county-specific information needed for each fiscal year. The Funding Request may contain the following sections:

- Budgets: Proposed revenues and expenses for the Service.
- Units to be Provided: Proposed number of units to be provided as a result of this funding.
- Number of Individuals Served: Number of individuals projected to receive services.

- Outcome Indicator Goals: Specific numeric goals for how many individuals are *eligible* to achieve the Indicator (denominator) and how many you expect *will* achieve the indicator (numerator) in that funding year.
- Contacts: Primary and secondary contact persons for the service.

4.4 APPROVAL PROCESS

Each County establishes and implements its own processes for making market rate and cost of living adjustments, reviewing and approving Funding Requests, and reviewing and deciding appeals (see sections 8.4, 9.4, 10.4, and 11.4).

4.5 FUNDING CONTRACTS

Agencies will contract for services with each County Board separately.

4.5.1 Contract Conditions

County-specific conditions of funding may be part of an agency's funding contract.

4.5.2 Summer Projects

Summer Projects will be funded October 1 - September 30. Agencies will request funding during the annual funding cycle.

4.5.3 New Projects

A new project is any project not currently funded by the County Board. New project funding availability varies and will be announced as it becomes available. Agencies requesting funding for new projects will contact the respective County Board to request a meeting to determine the project's eligibility.

The agreements and requirements for new projects may be listed as conditions of funding in the annual Funding Contract. Conditions of funding may include additional reporting requirements and specific guidelines for project implementation including output reporting or outcome measurement. Typically, projects can be in "new project" status up to five years. However, funding is requested on an annual basis; continuation of annual funding is never guaranteed.

5 INVOICING PROCEDURES

The agency staff approving and submitting the invoice is certifying that the expenditures are true and correct to the best of their knowledge. Funding reimburses agencies for contracted services and expenditures.

For Purchase of Service (POS) or Grants requiring individual to be identified, the agency is required to enter individuals into the system and verify eligibility. To complete the eligibility process agencies will need to obtain the following information: Social Security Number (SSN) and Date of Birth (DOB) OR DMH ID Number (DMH ID) and Date of Birth from each individual served. This is required for both POS services and most Reimbursement Grants.

All invoices are submitted via the Alliance portal. If there are no expenditures for a given month, the agency must submit a zero-dollar invoice for that month before the next month's invoice becomes accessible on the portal. Agencies should retain additional supporting detail for all invoices for periodic review by the County Board finance staff (see section 3.6.4.1).

5.1 POS INVOICES

Agencies must enter eligible Individuals into the portal and verify their eligibility before the individual will be accessible on the POS invoice in the portal. Monthly, the Alliance portal generates POS invoices for each project, and agency staff will access the invoice and enter units of service per individual per month on the Purchase of Service Addendum in the portal.

If an agency needs to bill for units from a prior month, the agency will enter the prior month's information on the Purchase of Service Addendum that includes the individual's billing number, number of units, and month of service. Units of service from multiple months for an individual should not be reported collectively on the same line.

5.2 REIMBURSEMENT GRANT INVOICES

Invoices will include the line items as listed on the Funding Request. Agencies will bill expenses per line item, and line item expenditures are not to exceed the annual amounts specified for each. These invoices may or may not (per the approved Funding Request) require the program participants' names to be listed on the invoice. Each County Board may have its own requirements for supporting documentation, primarily for capital and real estate reimbursements (see sections 8.3.4, 9.3.2, 10.3.4.1, and 11.3.3).

5.2.1 Line Item Adjustments

Agencies may request line item adjustments by submitting a Budget Revision Request Form to the finance staff of the funding County Board(s). Consideration of the request is based on the following:

- overall intent of the project is unchanged, and;
- explanation for adjustment is reasonable and justifiable, and;
- total amount approved for the project is unchanged.

A copy of the completed Budget Revision Request Form will be returned to the agency indicating the status of the request.

5.3 INVOICING TIMELINE

Agencies will submit invoices within the month following the date of service. The agency will receive notification from the County Board regarding any invoicing discrepancies or individual eligibility issues. Invoices will be held until resolved. Agencies have 90 days from the billing month to notify County Boards of billing errors and to make corrections. Invoices submitted over 90 days after the month in which the expenditure was incurred will require the County Board's finance staff's approval for payment. All final invoices for the fiscal year are due July 31. All billing errors must be resolved by July 31.

5.4 PAYMENT

Prior to disbursement of funds, a signed Funding Contract must be on file with the County Board office and contract conditions must be met. County Boards reserve the right to withhold payment if Service or Financial Reporting Requirements are not met (see sections 3.6.1 and 3.6.2) and/or if the agency has not adequately demonstrated the Alliance's Standards (see section 3.3).

County Boards will make payments to agencies within 30 days of receipt of invoice.

6 TIMELINES

6.1 ANNUAL FUNDING CYCLE

The chart below provides a general overview of a typical annual funding cycle calendar. The Alliance will notify agencies annually of specific dates.

Certificate of Good Standing: Certificate provided by the Secretary of State's office that provides formal proof of authorization to do business in the state.

Certificate of Insurance: A document provided by an insurance company or broker indicating types of insurance coverage and associated limits.

CIMOR: Customer Information Management, Outcomes, and Reporting (CIMOR) is the secure database system Department of Mental Health uses to record individuals' information and services.

COLA: Cost of Living Adjustment

Competitive Community Employment: Employment in a location where the employee interacts with persons without disabilities, where all employees are compensated at a rate that is minimum wage or higher and are eligible for pay, where the employee has access to benefits and advancement equal to other employees who have the same or similar positions. Vocational Rehabilitation and the Department of Labor use the terminology: 'competitive, integrated employment'.

Cost Allocation Methodology: A standardized approach for spreading service expenses to various cost centers using logical rationale with the intent of estimating the actual costs of services.

Denominator: In the context of outcome reporting, the denominator is the number of people included in the measure who were eligible to achieve an indicator.

Department of Health and Senior Service (DHSS): The Missouri Department of Health and Senior Services plans, coordinates, and delivers a variety of public health services to Missourians. These services, many of which are delivered by agencies or organizations funded by the Department, include maternal and child health care, services for children with special health care needs, dental health care services, immunization programs, sexually transmitted disease control programs, tuberculosis control programs, community sanitation and radiological health programs, support for emergency medical services and training for personnel, epidemiology and disease surveillance, community health nursing and home health care programs, laboratory services, licensing of hospitals, licensing of health care and day care facilities, chronic disease prevention programs, and nutrition education.

Department of Mental Health (DMH): The Missouri Department of Mental Health is commonly referred to as DMH, locally known as Regional Office, SLRO, St. Louis Regional Office, Tri-County, and at times, the Division of Developmental Disabilities and DDD. DMH is a state-operated department that provides prevention, treatment/habilitation and promotion of public understanding for Missourians with mental illnesses, developmental disabilities, and addictions. DMH is separated into three divisions. One of which is the Missouri Division of Developmental Disabilities. Local DMH Regional Offices include: Tri-County Regional Office includes St. Charles County, Jefferson County and St. Louis City. St. Louis Regional Office serves the St. Louis County region.

Direct Service Provider (DSP): Paid staff (i.e. direct support professionals) and volunteers who work directly with individuals with developmental disabilities.

Division of Vocational Rehabilitation: The Division of Vocational Rehabilitation (also referred to as DVR, VR, Voc. Rehab.) is a state run program that is funded, in part, by the U.S. Department of Education that specializes in employment and training services that can assist individuals with disabilities in becoming employed.

Family Care Safety Registry (FCSR): Family Care Safety Registry (FCSR) helps to protect children, seniors, and the disabled by providing background information. This service is intended to provide information to help families and employers make informed decisions when hiring employees to work with children, the elderly, and the disabled. <https://health.mo.gov/safety/fcsr/>

Family Educational Rights and Privacy Act (FERPA): The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records.

Formal Support: Services provided by professionals or trained employees who are typically paid for their work.

Funding Contract: Legal annual contract between County Board and agency for the purchase of services or grant funding.

Hard skills: Knowledge and abilities necessary to properly perform a task. They can also be thought of as job-specific and/or task related skills typically learned through education or training.

Health Insurance Portability and Accountability Act (HIPAA): Health Insurance Portability and Accountability Act of 1996 (HIPAA) is the United States legislation that provides data privacy and security provisions for safeguarding medical information. <https://www.hhs.gov/hipaa/for-professionals/security/laws-regulations/index.html>

Inclusive: Inclusive services and environments ensure that people of differing abilities visibly and palpably belong to, are engaged in, and are actively connected to the goals and objectives of the whole wider society.

Indicator: Indicators answer the question, “What will that look like?” Indicators translate Outcomes into more specific and measurable terms, providing operational definitions of the concepts within an Outcome.

Individual: A person with a disability who is receiving funded services

Integrated: Services and environments that ensure persons with disabilities exist in mainstream environments with non-disabled peers without changing the overall system. The adaptations support an individual in an existing setting.

Internal and Financial Controls: A system of process and procedures designed to protect an agency’s assets and integrity of financial reporting.

IRS Determination Letter: Sometimes referred to as a 501(c)(3) letter, this letter is from the Internal Revenue Service (IRS) which certifies that the IRS recognized organization as a not for profit exempt from taxes.

Measurement Tool: A means of data collection. Examples include surveys, assessments, rating scales, and observation checklists.

Medicaid Waiver: Medicaid Waivers are also known as Home and Community-Based Services (HCBS) Waivers, Developmental Disabilities Waivers or simply ‘Waivers’. A state may use Waiver funding for integrated, community-based services for individuals whose care needs would otherwise require services in an institution. The five Missouri Medicaid HCBS Waivers are the Comprehensive Waiver, Missouri Children with Developmental Disabilities Waiver (MOCDD or Sarah Jian Lopez Waiver), Community Support Waiver, Partnership for Hope and Autism Waiver.

Missouri Association of County Developmental Disabilities Services (MACDDS): An association of county Senate Bill 40 Boards. They operate with locally generated tax revenues, which provides a base from which to support and protect the concept of locally based services for individuals with developmental disabilities.

Natural Home: Home setting where an individual resides, typically with parents and/or family as the primary caregivers.

Natural/Informal Support: Unpaid support received from family, friends, community members, etc.

Numerator: In the context of outcome reporting, the numerator is the number of individuals who achieved an Indicator.

Ongoing Services: Services expected to continue on an ongoing annual basis.

Occupational Safety and Health Administration (OSHA): Occupational Safety and Health Administration is the federal organization that has standards regarding Blood-borne pathogens, which are designed to protect at-risk employees from exposure to blood and other potentially infectious materials.

Outcome: Outcomes answer the question “What are we trying to accomplish?” Outcomes describe the intended impact of the service on the people being served. Outcomes can often be broadly stated and conceptual in nature.

Output: Outputs answer the question, “How much did you do? What did you deliver?” Outputs describe what or how much was produced by a project and/or describe the status of an individual on a variable that’s not necessarily a reflection of the project’s effectiveness or success.

Participant: A person who is receiving funded services, who is not the person with the disability, but benefits from the services (i.e. parents, siblings, school personnel, etc.).

Policy: A documented statement of intent that is implemented via a procedure or protocol.

Purchase of Service (POS): Purchases of Service funding is based on purchasing units of service, typically hours, from agencies at an agreed upon unit cost rate. All services may be provided virtually or by phone with the exception of Childcare, Facility-Based Support and Transportation. Sheltered Workshops may provide limited virtual supports.

Procedure/Process: An established method of accomplishing a task, usually with steps that are performed in a prescribed order.

Project: Projects represent a collection of funded Services within an agency.

Quality Assurance: Quality Assurance (QA) is the practice of designing work (services, processes, etc.) in ways that ensure they will meet customer expectations.

Quality Control: Quality Control (QC) processes and tools monitor the degree to which the work is implemented as intended and the degree to which it actually meets standards.

Reimbursement Grant: Funds a percentage of the actual program expenses incurred or specific line items for services/supports. The cost of ongoing services/supports include expenses/fees directly related to the project as listed in the Project budget.

Self-advocacy: Speaking up for oneself, making decisions about one’s life, learning how to get information so that one can understand things that are of interest, knowing one’s rights and responsibilities, reaching out to others when help is needed.

Self-directed: Individuals choose their own mix of supports and services, staff and organizations that provide them, and schedule that works best. Individuals have control over the funding to choose services that are right for them and their own unique strengths and needs.

Self-management: Taking responsibility for one’s own behavior and well-being.

Self-regulation: Managing one’s own behavior, impulses, emotions, and thoughts in the pursuit of long-term goals.

Service: The smallest and most specific element of a funded Project, which contains unique interventions and activities and is distinguished by a specific unit rate in POS funding contracts.

Soft Skills: Personality traits and behaviors, such as habits, values and attitudes displayed in different situations. Examples include communications skills, reliability, responsiveness, courtesy, problem-solving, creativity, adaptability, work ethic, etc.

Standards: The Alliance's Standards outline the requirements funded Agencies and Projects must demonstrate related to policies, procedures, documentation, and management practices.

Statement of Functional Expense: Expenses Schedule required in the financial audit which reports an agency's expenses by various functional and/or service areas.

Support System: Network of people providing an individual with practical or emotional support.

Unit: A billable unit is an hour of face-to-face service, event/class/session, one-way trip or mileage as defined in the Funding Contract.

Unit Rate: Rate of payment for services based on the cost of the services divided into service units.

Vendor: A business/organization that is contracted for goods or services.

8.2 BOARD OF DIRECTORS

DD Advocates has a nine-person voluntary Board appointed by the County Executive with the advice and consent of the County Council. A list of current Board members and officers is available on our website.

8.2.1 Board Committees

The Executive Committee consists of the Chairperson, Vice-Chairperson, Secretary and Treasurer. The following committees meet as needed: Finance/Audit Committee, Nominating Committee, Public Awareness Committee and Structural Development (Construction) Committee.

8.2.2 Board Meetings

Board meetings are held the 4th Monday of every month at 6:30 pm, except for May and December.

8.2.3 Appeals Process

An agency Executive Director may submit a written appeal to DD Advocates, through its Executive Director, detailing actions the agency thinks do not comply with DD Advocates' policies/bylaws, within 60 days of the action. Please note, an agency's funding award amount is final and is not subject to appeal. The DD Advocates Executive Director will meet with the Executive Committee within 20 business days of receipt of the appeal to discuss and prepare a recommendation to the full Board, which will be provided at the next regularly scheduled Board meeting. The Board will inform the agency in writing of its decision within 10 working days of the Board meeting. The decision of the Board on all appeals is final.

8.3 SERVICE GUIDELINES

8.3.1 Adaptive Equipment

Caps and/or Limits	DD Advocates has a \$5,000 individual cap on both home and vehicle modification projects. Exceptions to this will be considered on a case by case basis. We discourage funding projects in consecutive years for the same individual.
--------------------	---

8.3.2 In-Home Support & Facility-Based Support

DD Advocates provides funding to NextStep for Life to administer in home support services through the MyCare voucher program.

8.3.3 Community & Employment Transportation

A billable unit is either a daily fee per scheduled route or an hourly fee for demand response trips.

8.3.4 Capital

Capital items are defined as items that are to be requested for reimbursement one-time, have a useful life of more than one year, and which cost at least \$2,500 or more. Requests are limited to the actual/direct cost of the item and cannot include allocation of indirect or administrative costs. Requests may be based on actual dollars paid by the agency and may not include funds given in-kind. DD Advocates does not reimburse expenses for costs incurred by the applicant prior to the fiscal year for which the funding is approved. Capital items are classified into one of the following 4 categories:

- 1) Program Support:
 - a) Items requested must cost at least \$2,500 and be for direct use of individuals with developmental disabilities or necessary to maintain a direct service program. Items must be necessary to achieve the targeted outcomes of the program.
 - b) DD Advocates Grants: up to 80% of actual item purchase cost with a maximum grant of \$100,000.
 - c) Examples: therapy equipment, furnishings, machinery, renovations necessary for program, computer/software directly used for individuals with developmental disabilities.
- 2) Administration:
 - a) Items requested must cost at least \$2,500 and must improve the overall efficiency or effectiveness of the agency which provides a direct service program supporting individuals with developmental disabilities.
 - b) DD Advocates Grants: up to 80% of actual item purchase cost with a maximum grant of \$100,000.
 - c) Examples: management training, cost containment consultation, business office software, building renovations.
- 3) Vehicles:
 - a) DD Advocates will consider granting funds to an agency for no more than 20% of the cost to purchase vehicles that are used primarily for transporting/supporting Jefferson County residents with developmental disabilities. We will consider exceptions to the 20% maximum for agencies not eligible for Section 5310 funding from the Federal Transit Administration.
 - b) It is the intent of this policy to encourage the use of other sources of funding available for vehicle acquisition/replacement (e.g., Section 5310 programs).

4) Equity Investment:

- a) DD Advocates partners with Rainbow Village Properties for the purchase/construction of homes for individuals with developmental disabilities receiving residential supports in Jefferson County, Missouri. DD Advocates contribution is typically 25%-33% of the project cost and we receive either a First or Second Deed of Trust, as applicable. Rainbow Village Properties owns/maintains the home and leases it to the residents with developmental disabilities. A provider agency operates the residential supports as appropriate for the residents with developmental disabilities.

Agencies must coordinate with Rainbow Village Properties to request such funding from DD Advocates. DD Advocates intends to budget to fund an average of one such home during each fiscal year.

8.3.4.1 Disposition of Capital Purchases for Types 1-3 above

All capital items of type 1-3 above which were purchased with DD Advocates funding are the property of the reimbursed agency. There is no formal lien required by DD Advocates. However, the capital funded Agency cannot repurpose, sell, trade, dispose of, in any manner alter the ownership of, or relocate out of Jefferson County such DD Advocates funded equipment/items within 5 years without prior written approval of DD Advocates. If such approval is given, DD Advocates shall be reimbursed for its portion of the acquisition cost. The reimbursement shall be reduced by 20% per year for each year that the capital item was used as originally intended. Therefore, the requirement to reimburse DD Advocates disappears after 5 years of use. DD Advocates may request to see any previously funded capital items during Financial Review Meetings occurring at the capital funded Agency.

8.3.4.2 Disposition of Capital Purchases for Type 4 above

Disposition of Rainbow Village Properties owned homes partially funded by DD Advocates will occur as detailed in the specific Deed of Trust and the specific Equity Funding Contract associated with each specific property. It is the intention of DD Advocates that such residential properties be used to support individuals with developmental disabilities in perpetuity.

8.4 APPROVAL PROCESS

Funding requests that are submitted by the due date will be reviewed by the Finance Committee in March/April. If the Finance Committee determines it is necessary to meet individually with a provider agency, this will also be completed in March/April. The Finance Committee prepares funding recommendations for the full Board which are discussed/approved at the regular April Board meeting. Agencies receive notification of awards in May.

9 APPENDIX B: DD RESOURCES

9.1 DD RESOURCES INFORMATION

9.1.1 Mission

DD Resources' mission is to ensure individuals with developmental disabilities in the City of St. Louis have quality services, choices, and full inclusion.

9.1.2 Vision

DD Resources' vision is an inclusive community that maximizes individual abilities.

9.1.3 Values

To help meet its mission, DD Resources has seven core values:

- Support – We identify and provide assistance to individuals in reaching their greatest potential.
- Self-Determination – We ensure that individuals have the right to participate in planning their own future and selecting their own supports.
- Choice – We ensure that individuals have the opportunity to choose the services and providers that will meet their specific needs.
- Stewardship – We administer public funds fairly, with openness and integrity.
- Responsiveness – We are effective, efficient, accessible and act in a timely manner.
- Partnership – We support these core values through partnerships with individuals, providers, the community and other funders.
- Respect – We respect every individual.

9.1.4 Administration

9.2 BOARD OF DIRECTORS

A list of our board members and their offices can be found on our website.

9.2.1 Board Committees

The Executive Committee has general supervision of the affairs of the Board between its regular meetings; makes recommendations to the Board and is empowered to take action for the Board in case of an emergency provided; however, any such action is presented to the Board for ratification at its next regular meeting.

The Nominating/Personnel Committee consists of three members of the Board and submits to the Board names of nominees to fill offices of the Board. The Nominating/Personnel Committee submits to the Board for recommendation to the Mayor, nominees to fill vacancies on the Board of Directors. The Nominating/Personnel Committee also recommends to the Board on matters pertaining to personnel policies of the Board.

Finance Committee is composed of the Treasurer and at least two other directors are appointed by the Chairperson of the Board. It is the duty of this committee to oversee the financial policies of the Board and to recommend action to be taken to the Board including, but not limited to, the annual budget, financial statements, banking procedures, insurance, and an annual audit.

Program Committee consists of three members and makes recommendations to the Board on matters pertaining to agency programs.

9.2.2 Board Meetings

Board meetings are public meetings and are typically held during the months of February, March, May, June, September, and November. The dates are published on our website along with the agenda. Committee meetings are held as needed. Dates and agendas can be found on the website.

9.2.3 Appeals Process

An agency Executive Director may submit a written appeal to DD Resources, through its Executive Director, detailing actions the agency thinks do not comply with DD Resources’ policies/bylaws, within 60 days of the action. Please note, an agency’s funding award amount is final and is not subject to appeal. The DD Resources Executive Director will meet with the DD Resources Executive Committee to discuss the appeal and prepare a recommendation to the full Board. The Board will inform the agency in writing of its decision within 10 working days of the Board meeting in which the appeal is discussed. The decision of the Board on all appeals is final.

9.3 SERVICE GUIDELINES

All forms referenced in this section and throughout the Partner Funding Manual can be found on the Alliance Portal.

9.3.1 Employment Transportation

Employment Transportation Service Guidelines	
Service Definition	Services support individuals to access employment through safe and reliable transportation.
Individual Eligibility	Eligible individuals: Have an active case with DMH; Are employed at a sheltered workshop; and Require nonpublic transportation
Referral/Enrollment Process	Sheltered Workshops may refer individuals for door-to-door transportation services by following the steps listed below: <ul style="list-style-type: none"> • Determine there is a need for door-to-door transportation • Determine the individual meets the requirements as listed above • Support the individual with choosing their 1st and 2nd choices of transportation providers

	<ul style="list-style-type: none"> • Submit the completed Transportation Referral form to the transportation provider • Provide any additional information needed in order to secure transportation <p>Approved requests will be assigned a provider based on the individual's choice and the provider's capacity. The provider will contact the family/individual to coordinate pick-up/drop-off times and locations.</p>
Caps/Limits	Transportation services are subject to available funds and capacity of Service Provider.
Documentation Requirements	<ul style="list-style-type: none"> • "Transportation Provider Trip Tracker" must be approved by the agency benefitting from the services before submitting an invoice. • The "Quarterly Trip Totals Report" should be received by DD Resources by the 10th of the month following the end of the quarter. For example, the July-September Quarterly Trip Totals Report should be received by DD Resources no later than October 10th.

9.3.2 Capital

Capital funding is for equipment or assistance with maintenance or construction of facilities used in the delivery of services. Agencies may request funding for a vehicle to transport eligible city residents or delivery vehicles for sheltered workshops.

Requests for capital funding must follow the funding timelines. Priority is given to capital projects in which DD Resources is the first lien holder. The expected lifetime of the capital project is at least one (1) year and the cost is \$5,000 or more.

Requests for capital should include the following:

1. Justification for the request; justification can include:
 - a. Geographical location of the proposed facility for individual accessibility.
 - b. Service and program need, including persons to be served.
 - c. The impact on the agency and its services.
 - d. Useful lifetime of the project, including possible adaptation to other appropriate uses.
 - e. Explanation of compatibility of the proposed design with service or program need.
 - f. Reports from other bodies providing funding showing their support for the project and that their requirements and/or criteria are being met.
2. A summary listing the total funding available for the project from all sources and the portion requested from DD Resources.
3. The timeline for completion of the project.
4. Three (3) competitive bids unless single source. Bids should be sought from St. Louis City merchants/residents including minority/women owned business. Visit St. Louis Development Corporation at www.stlouis-mo.gov/sldc for more information.
5. A detailed plan, including architect's drawings when required by DD Resources, of the proposed project. Applicants should not provide nor incur costs for architect drawings until requested and/or approved by DD Resources. DD Resources does not reimburse expenses for costs incurred by the applicant prior to DD Resources approval to fund such expenses.
6. Certification that the proposed project will conform to local zoning, building code, and licensing requirements.

If a request is approved, DD Resources may require:

1. The right to review contractor bid/s and to request additional bid/s at their discretion to ensure cost effectiveness.
2. Funds allocated shall be expended within a specified time period. Any funds unexpended by the end of the period designated shall revert to DD Resources and can only be reassigned by subsequent DD Resources Board action.
3. Funds allocated shall be spent only for designated purpose and any surplus shall revert to DD Resources. A final expenditure report shall be required and sent to DD Resources after the work is completed.
4. DD Resources may, at its discretion, monitor or require a supervising architect to monitor the progress of the project. Any major variance from the proposed work schedule or changes in plans which affect compatibility with program or services to be delivered or cost may be subject to DD Resources approval. In relation to cost, a "variance" is defined as a 10% variance or more in the total cost of the project.
5. A report from a structural engineering firm, if appropriate.
6. For vehicle purchases: Agency will maintain full coverage insurance on the vehicle that meets or exceeds the minimum requirement set forth in the security agreement; DD Resources shall be named as an additional insured.
7. For vehicle purchases: DD Resources will hold the vehicle title until the reimbursement schedule ends.

An agency may request, in writing, extension of time beyond the original commitment to complete work previously funded by DD Resources.

Proposals may be submitted by a single agency or jointly by two or more agencies to serve a common purpose.

With respect to all capital distributions by DD Resources, the Agency's reimbursement obligations outstanding shall be secured by a duly recorded Deed of Trust on real estate. The lien placed on the property is for the full amount awarded toward the capital project and is not amortized. The Agency's reimbursement obligations outstanding at any point in time shall not exceed eighty percent (80%) of the current appraised value of the real estate securing the Agency's reimbursement obligations.

Collateralization policy: The Agency shall not encumber or renew existing loan(s) that is/are secured by the property without written approval of the DD Resources Board nor shall agency sell, trade, dispose of or in any way alter the ownership of the capital improvement, which is the subject of an Agreement and the Plan. If the Agency encumbers, sells, trades or otherwise disposes of or in any way alters ownership of the capital improvement without written approval of DD Resources, the agency shall reimburse 100% of the purchase price of the capital improvement.

9.3.2.1 *Capital Disposition*

All equipment must be placed on a depreciation schedule and inventoried.

The depreciation schedule should include inventory control number, purchase date, item description, property location, purchase cost, number years depreciated, and amount of depreciation each year with accumulative total.

Disposition of Equipment

Collateralization Policy: All Equipment purchased with DD Resources funding shall have a Uniform Commercial Code (U.C.C.) lien placed on the equipment for a minimum of five years. On Equipment over \$5,000.00, DD Resources reserves the right to renew the U.C.C. lien for an additional five years. A Security Agreement and Promissory Note will be signed and notarized by the Agency. The Promissory Note will contain the reimbursement schedule. The Agency cannot sell, trade, dispose of or in any manner alter the ownership of the equipment.

The agency may, after receiving written approval from DD Resources sell, trade or otherwise dispose of the equipment. The agency will be liable for the purchase price of the equipment in accordance with the reimbursement schedule as designated in the equipment agreement.

If for any reason the agency wants to dispose of the equipment, a request must be sent to DD Resources before disposition is made. The agency should consider the following in its request:

- If the program or use for which purchase was authorized is no longer applicable, agencies may request reallocation for use in other programs within the agency serving City residents with a developmental disability.
- If the agency should dissolve, all such equipment will revert to DD Resources, if not fully amortized, for transfer to another eligible agency.
- If the agency identifies another agency located in the City of St. Louis, who serves persons qualified under the DD Resources definition, who could use the equipment, DD Resources shall be informed of the potential transfer and make the final decisions.
- In the event there is no need for the equipment by another eligible agency within the City of St. Louis, the agency may have the option to dispose of the equipment at the fair market price. Upon receipt of the sale price, the equipment value not yet amortized will be returned to DD Resources and the agency will retain the remaining sale price amount.

If the agency wishes to dispose of the equipment and use the proceeds from the sale of such equipment to purchase other equipment, approval must first be received from DD Resources. The justification for purchase of new equipment would be the same as that of a new request and the same stipulations would be in effect for the purchase of other equipment.

9.4 APPROVAL PROCESS

9.4.1 Market Rate/Cost of Living Adjustments

Annually, DD Resources reviews both the current Consumer Price Index (CPI) and Cost of Living Adjustment (COLA) published by the federal government to determine an appropriate COLA for funded projects. This rate is approved by the program committee and the board of directors. If applying the COLA increases the reimbursement rate above the agency's annual independent audited unit rate, the COLA is not made to the unit rate.

9.4.2 Board Review & Approval Process

Funding requests are received by DD Resources staff and reviewed with the Program Committee. Agencies may be asked to provide additional information to the Program Committee as needed. All funding recommendations are made by the Program Committee to the full board of directors; the full board may review any funding request as it sees fit. The full board makes final funding determinations.

10 APPENDIX C: DDRB

10.1 DDRB INFORMATION

10.1.1 Mission

The DDRB is a leader, ensuring that individuals with developmental disabilities living in St. Charles County have quality opportunities and choices to be fully included in society.

10.1.2 Vision

People have what they need to live the lives they choose.

10.1.3 Values

- Partnership: Partnership enables us to better serve individuals with developmental disabilities in St. Charles County. Partnering allows us to maximize our resources and efforts to more effectively and efficiently meet the needs of our community.
- Accountability: To be progressive in thought and actions requires challenge, motivation and participation of the entire community. Striving for excellence ensures quality outcomes and results for individuals receiving supports and services. Other tools, such as accrediting bodies, audit and satisfaction surveys, are useful methods to assist us.
- Self-Determination/Choice: Individuals with developmental disabilities and their families/guardians have rights and responsibilities to determine the direction of their own lives. To do so, information and choices are needed; diversity of services and providers is necessary and appropriate. Providing information to consumers so they can make educated and informed decisions is a key role and responsibility for us.

10.1.4 Administration

The DDRB Office is located at 1025 Country Club Rd., St. Charles, MO 63303. Our phone number is (636) 939-3351.

The Board hires the Executive Director to manage the agency's operations consistent with Board policy and priorities.

- Executive Director: Peg Capó, MBA, pcapo@ddrb.org, ext.3101
- Finance Director: John Thøelke, CPA, jthoelke@ddrb.org, ext. 3104
- Case Management Director: Robyn Peyton, rpeyton@ddrb.org, ext. 3105
- Program Director: Kathy Robb, MSW, krobb@ddrb.org, ext. 3102
- Human Resource Director: Vicki Amsinger, vamsinger@ddrb.org, ext. 3143

10.2 BOARD OF DIRECTORS

The Board is the policy-setting, accountable body that bears the fiduciary responsibility for all acts of the DDRB. The Board sets the financial and administrative framework for the agency. The Board delegates administrative responsibility and accountability to the Executive Director, while maintaining oversight of the agency to ensure that actions are consistent with Board-approved policies and priorities.

Pursuant to Missouri statute, the Board shall consist of a total of nine members, at least two of whom shall be related by blood or marriage within the third degree to a person with a developmental disability as defined in statute and four of whom shall be public members.

The DDRB members are appointed to three-year terms by the St. Charles County Executive and confirmed by the St. Charles County Council. The terms of Board members expire on January 31. Members of the Board can be reappointed at the discretion of the County Executive and may continue to serve until replaced.

10.2.1 Board Committees

The DDRB has three standing committees - Finance, Program and Human Resource. All committee meetings are held at the DDRB office (unless otherwise noted on the meeting agenda) and agendas are posted on the DDRB website at least 24 hours prior to the meetings.

10.2.2 Board Meetings

The DDRB holds public meetings on the third Thursday of every month at 7:00 pm at the DDRB Office (unless otherwise noted on the meeting agenda), 1025 Country Club Rd., St. Charles, MO 63303. Meeting agendas are posted on the DDRB website (www.ddrb.org) at least 24 hours prior to the meetings.

10.3.4 Agency Support

10.3.4.1 Capital Funding

Capital Funding	
Purpose	Capital items are defined as items that are to be requested for reimbursement one-time. Requests are limited to the actual/direct cost of the item and cannot include allocation of indirect or administrative costs. Requests may be for total dollars paid by the agency and may not include funds given in-kind. Expenses incurred prior to DDRB approval may not be funded. Capital items are classified into one of the following 3 categories:
Capital Categories	<p>1. Program Support Items must cost at least \$2,500 and be for direct use of individuals with developmental disabilities or necessary to maintain a direct service program. Items must be necessary to achieve the targeted outcomes of the program. DDRB Grants: up to 80% of actual item purchase cost. Up to \$100,000 Examples: therapy equipment, furnishings, machinery, renovations necessary for program, computer/software direct use for individuals with developmental disabilities</p> <p>2. Administration Items requested must cost at least \$2,500 and must improve the overall efficiency or effectiveness of the agency as it relates to the program targets. DDRB Grants: up to 50% of the actual item purchase cost. Up to \$100,000 Examples: management training, vehicle match, cost containment consultation</p> <p style="text-align: center;">DDRB Grants: up to 100% of the actual cost Examples: national accreditation start-up</p> <p>3. Equity Investment The DDRB offers an Equity Investment Program for the purchase of land, purchase of homes for individuals with developmental disabilities receiving residential supports, new construction or building renovation. The DDRB investment maximum is \$250,000 or 25% of the project cost, whichever is less, and may be secured with a Bank Letter of Credit (an instrument issued by a bank to the agency by which the bank substitutes its own credit for that of the agency), with the DDRB as beneficiary.</p> <p>Agencies must submit a letter of intent to request DDRB Equity Investment funds. The letter of intent must include a description of the investment, a statement of need, fit with the agency/program targets and the DDRB strategic plan, total cost, other funding partners and projected DDRB funds needed. In addition, for home purchases, the letter of intent must include how the purchase addresses at least one of the DDRB’s housing priorities: 1) critical need – necessary for the health and safety of an individual, 2) affordability – improves access to affordable safe housing, or 3) accessibility – individual’s needs require home modifications not available elsewhere. The DDRB Finance Committee will review the letters of intent. If priorities are met and funds are available, they will recommend a hearing with the full board.</p>

Capital Funding

The request will be presented at a regularly scheduled Board meeting after initial review by the Finance Committee. Two weeks prior, the agency must submit a business plan with 3-5 year financial projections (income and expenses) for operations and other relevant information not originally included in the letter of intent. (DDRBR approval of equity investment funding does not guarantee DDRBR operational funding in future years.)

Upon Board approval, the DDRBR would designate funds for the project, pending bank approval of a Letter of Credit, if required. Upon bank issuance of the Letter of Credit, the DDRBR will release the designated funds, secured by the Letter of Credit. Conditions of the equity investment and for drawing under the Letter of Credit will include specific project targets for the investment. The DDRBR can ONLY draw upon the Letter of Credit if the agency fails to perform stated criteria related to the project. Upon completion of the project targets, the Letter of Credit shall be released. Project targets will be time specific and may include, but not be limited to, construction milestones, capacity goals, and numbers of individuals served.

As a condition of the investment, the agency shall grant to the DDRBR, by a contract secured by a Deed Restriction or Deed of Trust, the following rights in the real estate and renovations/improvements* that are the subject of the investment:

1. Upon the cessation of use of the property for purposes to benefit St. Charles County citizens with developmental disabilities, the DDRBR shall have the option to purchase the property at fair market value reduced by the amount of the investment, plus the Fair Market Value Adjustment**, or the agency will pay to the DDRBR the sum of the amount of the investment, plus the Fair Market Value Adjustment**.
2. If the agency elects to sell the premises, the DDRBR shall have the right of first refusal to purchase the property for the same sale price as any contract to buy the premises from a third party, reduced by the amount of the investment, plus the Fair Market Value Adjustment**, or the agency will pay to the DDRBR the sum of the amount of the investment, plus the Fair Market Value Adjustment**.
3. If the agency elects to return the DDRBR's investment, the DDRBR shall have the option to purchase the property at fair market value reduced by the amount of the investment, plus the Fair Market Value Adjustment**, or the agency will pay to the DDRBR the sum of the amount of the investment, plus the Fair Market Value Adjustment**.
4. The DDRBR will order (at DDRBR expense) Title Insurance on all Equity Investments prior to payment.

*DDRBR investment in renovations/improvements must meet the following conditions: 1) three written bids must be secured and 2) the renovations/improvements must increase the value of the home as demonstrated by an independent appraisal. Final appraised value will be used to determine the percentage of equity the DDRBR has in the property.

Capital Funding	
	<p>**Fair Market Value Adjustment for purposes of this section shall be defined as the principle amount of the investment multiplied by a percentage proportionate to the increase or decrease in the fair market value of the real estate and improvements from the date of the investment until a triggering event, including cessation of its use for the benefit of St. Charles County citizens with developmental disabilities, a sale of the property, or the election of the agency to return the investment to the DDRB. The percentage shall be calculated as the quotient where the numerator is the difference between the fair market value at the time of investment and the fair market value at the time of the triggering event, and the denominator is the fair market value at the time of investment. The adjustment is then determined by multiplying the principle amount of the investment by the change in fair market value percentage. Fair market value at the time of the investment for purposes of this calculation shall be stipulated in the contract at the time of the investment. A Missouri-certified appraiser, agreed upon by the parties, shall determine the fair market value at the time of the triggering event. If the parties cannot agree upon an appraiser, they shall each select one appraiser, and then the two appraisers shall select a third appraiser whose appraisal shall determine the fair market value.</p>
Capital Funding Guidelines	<p>Approval of expenditures for capital items is dependent upon availability of funds and fit with the DDRB mission and Board designated priorities for the funding cycle. These funds are available to any agency providing supports to St. Charles County residents with developmental disabilities. Agencies are encouraged to explore other funding sources prior to making a request to the DDRB. For equipment that will be shared with customers who live outside of the St. Charles County area or shared with individuals without disabilities, the DDRB will adjust the base cost of the expenditure to reflect the percentage of St. Charles County citizens with developmental disabilities who will be supported. For program items, funding will not exceed 80% of the adjusted cost. For administrative items, funding will not exceed 50% of the adjusted cost. For equity Investments, funding will not exceed \$250,000 or 25% of the adjusted cost, whichever is less.</p>
Shifting Funds	<ol style="list-style-type: none"> 1. Agencies may request to shift funds within a category (program, administration) and within the original intent of the request. Agencies should make a written request to the Agency and Community Relations Director. 2. Shifting of funds between categories will require DDRB Board approval. 3. Shifting funds outside the original intent of the request will only be considered for emergency requests and will require DDRB Board approval. 4. Any change in equity investment will require DDRB Board approval.
How to Make a Formal Request	<p>Agency will complete a Service Profile and Funding Request; the agency will describe the general capital needs for each Program including administration and describe how the capital needs will meet the intended targets for each program for the fiscal year.</p> <p>Requests to the Board should describe how the capital funding supports the program that provides a controlled work environment, or is designed toward enabling an eligible person to progress toward normal living, or to develop his or her capacity, performance, or relationships with other persons, or provide services related to a place of residence or social centers for eligible persons, or is connected or associated with vocational training, vocational teaching, vocational activities, vocational workshops, and/or residential facilities.</p>

Capital Funding	
	<p>If an agency is submitting a request for more than one capital item, the items should be prioritized by need. A Board Resolution for a not-to-exceed amount must also be included.</p> <p>Agencies not currently funded by the Board are required to schedule an appointment with the DDRB Agency and Community Relations Director and/or Finance Director to review the request, prior to formal and final submission of the request.</p>
Board Ownership	<p>If the AGENCY ceases to be funded by the DDRB or ceases to provide programs and services for St. Charles County citizens with developmental disabilities, all capital equipment, materials and buildings purchased with DDRB funds shall be returned to the DDRB in compliance with the Capital Funding Policy or unless so otherwise approved by a majority vote of the DDRB. In addition, if the agency no longer uses capital equipment, materials, and buildings purchased with DDRB funds for its original intent, the agency will need DDRB approval to re-direct its use.</p> <p>If the agency chooses not to contract annually with the DDRB all capital equipment purchased with DDRB funds will be reviewed for remaining useful life. If the remaining useful life of the equipment will continue to be used to serve individuals with developmental disabilities it will remain with the agency otherwise it is to be returned to the DDRB.</p>
Bid Requirements	<p>An item or purchase, under the program supports capital funding category, exceeding \$5,000 requires at least three written bids be obtained by the agency. Copies of bids must be kept until the next DDRB financial review of the agency.</p>

10.3.4.2 One-Time

10.3.4.2.1 Conference Reimbursement for Direct Support Professionals and their Immediate Supervisors

Conference Reimbursement for Direct Support Professionals and their Immediate Supervisors	
Purpose	<p>Direct support professionals and their immediate supervisors are encouraged to participate in conferences and educational opportunities that advance their knowledge and understanding of issues related to developmental disabilities. The Conference Reimbursement program gives direct support professionals and their immediate supervisors the opportunity to attend trainings, seminars and classes that are not required as part of their job and that might otherwise prove cost prohibitive.</p>
Eligibility	<p>The applicant must work in a program/service that receives DDRB operational funding or an agency that provides Residential or Day Habilitation services in St. Charles County and receives DMH funding for these services. Individuals must provide these services in St. Charles County.</p>
Eligibility DSP	<p>The applicant must be a direct support professional whose job responsibilities require at least 85% face-to-face direct support of individuals with developmental disabilities. The staff member must have been employed for one year (full-time equivalent) or 2,080 hours.</p>

Conference Reimbursement for Direct Support Professionals and their Immediate Supervisors	
Eligibility Supervisors	The applicant must be an immediate supervisor of direct support professionals whose job responsibilities require at least 25% face-to-face direct support of individuals with developmental disabilities. The staff member must have been employed for one year (full-time equivalent) or 2,080 hours.
Training Criteria	Training must be professionally recognized and job-related. College credit courses are allowed for individuals pursuing undergraduate studies. The applicant must exhaust employer-based tuition benefits prior to applying for DDRB reimbursement. Future reimbursement consideration will be based on course completion with a final grade of C or better.
Amount	A co-pay \$25 is required for each training or class. The DDRB will pay the remaining fee, up to a maximum of \$500.00 per fiscal year per person. Supplies and other expenses directly related to the training may be included.
Approval	The employee's supervisor must approve the application. Applications are approved based on eligibility criteria and available funding. Additional information may be requested, as needed.
Reimbursement	A reimbursement check is sent to the applicant. Completed applications, along with outlined supporting documentation, must be submitted to the DDRB within 60 days of the event or course completion. The fiscal year end invoice deadline is not applicable.
Application for Reimbursement	Submit applications to: DDRB, 1025 Country Club Road, St. Charles, MO 63303. The applicant is responsible for sending the DDRB copies of itemized paid receipts from the event organizers, proof of course completion (with final grade if applicable), along with a completed evaluation. Incorrect or incomplete applications will not be processed. Application and evaluation forms can be downloaded from the DDRB website www.ddrb.org or call the DDRB office at 636-939-3351 to request forms.

10.3.4.2.2. Best Practice Conference Program

Best Practice Conference Program	
Purpose	<p>The DDRB encourages provider agencies to develop innovative approaches to meet the needs of individuals with developmental disabilities. The DDRB Best Practices Conference Program is intended to provide funding assistance to designated agency staff, by category of service or overall quality enhancement, to attend conferences that focus on methods and techniques that have consistently proven to have superior results than those achieved by current means. Conference teams will be established based on agency/staff interest in bringing forward innovative ideas/best practices to the St. Charles provider/DDRB. Members of the conference teams will lead the process and will ensure innovative/best practices are shared and developed. Teams will present to the DDRB/Board as applicable.</p> <p>Since service delivery can vary between agencies that provide the same service, service category workgroups will be established to encourage a team approach. Service category workgroups research and identify the conference to attend. Workgroup members identify the agency representatives to attend the conference. Each member agency is limited to one staff per conference to</p>

Best Practice Conference Program	
	provide greater agency representation. In addition, having a variety of agency attendees provides opportunities for participation in multiple break-out sessions (if applicable) and encourages dialog amongst the agency representatives to develop new methodologies that improve the lives of individuals with developmental disabilities.
Qualifying Expenses	<ol style="list-style-type: none"> 1. Conference Registration 2. Lodging 3. Travel expenses, including mileage, vehicle rental and airfare 4. Meals

10.3.5 Carry-Over Funding Requests

All written carryover requests, operations and/or capital, must be received at the DDRB office by close of business on June 1. A postmark will not suffice. Carryover requests received after June 1 will not be considered. If June 1 falls on a weekend, carryover requests are due on the next business day by the close of business. The carryover request must include a description of what the carryover is for, item, purpose and timeline for purchase. Capital/One-Time funding may not be carried over for more than one fiscal year.

10.4 APPROVAL PROCESS

10.4.1 Board Review & Approval Process

The DDRB’s annual Strategic Plan guides funding decisions. Each year the DDRB sets a budget of available funds. Funds available include, but are not limited to, tax revenue, interest and other income. The DDRB also establishes annual funding priorities which may include market rate adjustments, service expansion, and priority service development.

Typically, during the funding cycle, the Board meets with agencies that request funding above the Market Rate Adjustment (MRA). Agencies must justify the need for the increase by completing a Funding Justification Form. These meetings are open to the public and dates and times are posted on the DDRB website. The final budget is approved by the Board in May/June.

10.4.2 Appeals

If the agency disagrees with a decision of the DDRB, the following are procedures for the agency to appeal a decision by the DDRB:

- a. The Board of the agency must vote in a Board meeting to appeal the decision of the DDRB.
- b. Within 60 days of the DDRB's decision, a letter must be received by the DDRB from the President/Chair of the agency stating the agency's decision to appeal and a copy of the minutes of the Board meeting stating the vote of the Board to appeal.
- c. The letter from the President/Chair of the agencies must state, in specific terms, the reason(s) for the appeal.
- d. The DDRB will review the appeal and provide a written response within 60 days from receipt of appeal.

11 APPENDIX D: PLB

11.1 PLB INFORMATION

11.1.1 Mission

To ensure funding for a spectrum of high-quality services that create opportunities for St. Louis County residents with developmental disabilities to thrive in the home, community and employment setting of their choosing.

11.1.2 Vision

Individuals of all abilities are provided with opportunities that allow them to fulfill their potential and live as respected and included members of the community.

11.1.3 Administration

Key Administrative staff include:

- Becky Herschbach, Executive Director
- Glen Goldstein, Director of Information Technology and Records Management
- Don Kaufmann, Director of Finance and Administration
- Kim Kopff, Director of Agency and Community Relations

11.2 BOARD OF DIRECTORS

The Board is the policy-setting, accountable body that bears the fiduciary liability for all PLB actions. It establishes the financial and administrative framework and appoints and directs the Executive Director to conduct the everyday operations of the agency. The Board provides oversight to assure that actions follow Board-established policies and procedures. The Board operates in partnership with the agency's staff, using their advice to deliberate decisions on agency policies and/or objectives.

Pursuant to RSMo 205.970, the Board shall consist of nine members, of whom a minimum of two shall be related to a person with a developmental disability and four shall be public members. At least seven of the board members shall be residents of the County. Productive Living Board members are appointed to three-year terms by the County Executive and confirmed by the County Council. The terms of three members of the Board expire in April of each year. Members of the Board can be reappointed for an unlimited number of terms.

11.2.1 Board Committees

The work of the Board originates within the structure of working committees. The Chairperson of the Board establishes committees (including standing committees and, as needed, *ad hoc* committees) following the general organizational structure of the agency itself in order to assure maximum coordination. All committees are advisory in nature.

The Board has established the following standing committee structure:

- Executive Committee
- Administration Committee
- Community Services Committee
- Employment Services Committee

11.2.2 Board Meetings

The PLB usually holds its regularly scheduled full Board meetings on the second Monday of each month, at times and locations established by the PLB at the beginning of each fiscal year. If a holiday should fall on the day of a regularly scheduled meeting, the PLB Chairperson will reset the meeting date.

Meetings of the PLB are conducted according to Robert's Rules of Order. In compliance with Missouri's Sunshine Law 610.010 to 610.035 RSMo, PLB meetings are open to the public, and the date, location, and time of meetings are prominently posted in the PLB office.

All interested agencies, individuals with developmental disabilities, and other parties are invited and encouraged to attend the Board meetings. It is suggested that persons interested in attending the meetings contact the PLB office to confirm the specific meeting date, time, and location. Information regarding PLB meetings can be obtained by visiting the PLB website at www.plboard.com or by calling (314) 726-6016.

Copies of agendas and minutes of PLB meetings are available to the public at no charge upon written request. The minutes of the meetings of the Board and/or its committees are also available for review by the public at the PLB office during regular business hours, 8:00 a.m. to 4:30 p.m., Monday through Friday or by visiting the PLB website at www.plboard.com.

11.2.3 Appeals Process

An agency may submit a written appeal to the PLB detailing actions the agency thinks does not comply with the PLB's policies, within 60 days of the action. Upon submission of the appeal, the Executive Director will conduct a review of the allegations. The Executive Director will submit a report to the Executive Committee within ten working days of receipt of the appeal. At the Executive Committee meeting, the agency will be permitted, at the discretion of the Executive Committee, to respond to questions and the findings of the Executive Director's report. The Executive Committee will make its recommendation to the full Board at the next regularly scheduled Board meeting. The Board will inform the agency in writing of its decision within ten working days of the Board meeting. The decision of the Board on all appeals is final.

11.3 SERVICE GUIDELINES

All forms referenced in this section and throughout the Partner Funding Manual can be found on the Alliance Portal.

11.3.1 Education/Training Reimbursement

11.3.1.1 Family/Individual: Education/Training Reimbursement

Education/Training Reimbursement Guidelines	
Service Definition	Education/Training Reimbursement is for individuals and family members to improve their knowledge of services and supports as well as their ability to make informed choices in selecting services to meet their needs. This reimbursement is available to help defray the cost of attending national, state and/or local seminars, conferences or educational workshops.
Eligibility Requirements	Agency making the request on behalf of the individual/family must be a current PLB funded provider. Individual/Family must reside in St. Louis County and individual/family member must have a qualifying developmental disability.

11.3.2 Employment Transportation

Employment Transportation Service Guidelines	
Service Definition	Employment Transportation services support individuals to access employment through safe and reliable transportation.
Eligibility Criteria	<p>The Productive Living Board (PLB) allocates and administers funds (both SB 40 and SB 3) for the purpose of transporting eligible St. Louis County individuals to sheltered employment sites.</p> <p>Individuals employed in a sheltered workshop are expected to meet their transportation needs independently, via family and other generic means or by use of public transportation services at their own expense. Individuals who require transportation services to obtain or maintain sheltered employment may receive transportation funded by PLB under the following conditions:</p> <ul style="list-style-type: none"> • The family is not able to meet the transportation need; • Other resources are unavailable;

Employment Transportation Service Guidelines	
	<ul style="list-style-type: none"> • Independent use of public transportation poses risk to the safety of the individual; and • Individual/family has made a reasonable and good faith effort to access alternative transportation systems and services. <p>Individuals in the DMH, Division of Developmental Disabilities Medicaid Waiver program are not eligible for transportation services funded by the PLB. Transportation services for these individuals are the funding responsibility of DMH/St. Louis Regional Office.</p>
Qualification Requirements	<p>Individuals active with the St. Louis Regional Office will complete the Transportation Screening Tool with their Service Coordinator to assess and determine the individual's eligibility for transportation services.</p> <ul style="list-style-type: none"> • St. Louis Regional Office, Agency and PLB staff meet as needed to review the Transportation Screening Tool Packet or • Transportation is offered if the provider has a route available and funding to cover the individual's transportation need for a fiscal year. <p>Transportation services are subject to available funds and capacity of Service Provider.</p> <p>Individuals who are not active with the St. Louis Regional Office will complete the PLB Transportation Screening Tool with a staff from the Workshop and guardian to assess and determine the individual's eligibility for transportation services.</p> <ul style="list-style-type: none"> • Sheltered Workshop staff will send the packet to PLB staff. PLB staff will review the Transportation Screening Tool to ensure it is completed correctly. • Service Provider and PLB staff meet as needed to review the Transportation Screening Tool Packets. • Transportation is offered if the provider has a route available and funding to cover the individual's transportation need for a fiscal year. <p>Transportation services are subject to available funds and capacity of Service Provider.</p>

11.3.3 Capital

Funding may be considered for one-time capital expenses such as acquisition of property, vehicles for transportation, and equipment that adds capacity to the organization to fulfill its mission. The following guidelines apply to all capital expenses:

- 1) Agencies shall obtain and submit three (3) bids with the invoice when requesting payment for purchase of non-consumable capital items including equipment, property acquisition, construction, renovations, vehicles, and other capital requests when the unit cost is \$1,000 or more. Agencies shall utilize the following bid protocol when obtaining bids on capital items with a unit cost of \$1,000 or more and a useful life of more than one year:
 - a) Bid specifications shall be written in sufficient detail to assure consistent response to the agency's request for bids.
 - b) Agency bid requests shall be submitted to similar vendors.

- c) Agencies shall submit a copy of the bid specifications and a minimum of three (3) signed bids specifying agency bid preferences to the PLB. The vendor shall provide a signed affidavit certifying their independence in relation to the agency's board, agency's employees, and agency's individuals.
 - d) Monitor the progress of the renovation and, at the PLB's discretion, certify satisfactory percentage of completion prior to funds disbursement.
 - e) In the event that agencies do not select the lowest bid, a written rationale must be provided for approval, prior to work being performed, or items purchased.
 - f) In the event that there are limited (fewer than three) or sole source vendors responding to bid requests, agencies must request a waiver of policy from the PLB prior to purchasing the item(s).
- 2) Agencies shall execute a First Deed of Trust, Loan Agreement and Promissory Note and give and grant to the PLB a security interest in and to all real estate acquired, equal to the amount of PLB funds provided to or received by the Agency for construction for facility expansion or major renovation. A second priority position shall be considered upon request if agency demonstrates financial need. For PLB funding, construction for facility expansion or major renovation is defined as projects that; a) extend the square footage of the building; and/or b) substantially change the use or purpose of the original space; and c) exceed \$500,000.
 - 3) Loans and Promissory Notes related to construction for facility expansion or major renovation shall be partially forgiven based on the following guidelines and conditions.
 - a) Agency must remain in compliance with the Alliance Partner Funding Manual including PLB specific provisions and PLB Funding Contract.
 - b) The standard loan provision will be for a 30-year term and will be reduced by 50% over a 15 year period. These terms are defined in the detailed loan agreement.
 - c) In the event the term of the loan is greater or less than the standard 30 years, 50% of the loan balance will be forgiven and the principle reduced over the first half of the term of the loan. The annual principle payment will be forgiven and reduce the overall principle on the loan each year. This policy will be implemented with all new loans related to construction for facility expansion or major renovation after March 13, 2017 and will not impact loans prior to that date.
 - 4) In the case of residential property, the Agency shall execute a Deed of Trust, Loan Agreement and Promissory Note and give and grant to the PLB a security interest in and to all real estate acquired, equal to the amount of PLB funds provided to or received by the Agency where the Agency's contribution and their commercial loan are equal to or exceed 70% of the acquisition cost. The Deed of Trust shall be in a second position to a commercial mortgage if it is part of the property acquisition funding. If there is no commercial mortgage, PLB shall have a first priority position on the Deed of Trust.
 - 5) Agencies shall maintain accurate inventory control procedures of capital items purchased with PLB funds. Agencies are required to clearly identify items by specific PLB project and component numbers.
 - a) Agencies shall complete the PLB Agency Inventory Tracking Report on an annual basis for as long as the capital items are owned by the agency. All non-consumable capital items purchased with PLB funds must be listed on this report. In the year of disposition, the date, method of disposition and proceeds (if any) shall be reported on the PLB Agency Inventory Tracking Report.

- b) Agencies shall conduct an annual physical inventory of PLB funded property and the results reconciled with their Inventory Control Record. Any discrepancies must be reported to the PLB office immediately.
 - c) Agencies shall maintain a control system to ensure adequate safeguards to prevent loss, damage or theft of property. Any loss, damage or theft of non-consumable property purchased with PLB funds shall be investigated by agencies with written documentation of the investigation findings submitted to the PLB office. A statement describing how agencies will replace the item(s) must be included.
 - d) Sheltered workshops shall provide a statement of business justification and anticipated outcomes from the acquisition of production equipment with the application for funds. The outcomes should address the sheltered workshop's ability to retain contracts, acquire new contracts, hire additional employees and projected annual return on investment (increase in sales divided by the cost of the equipment). Capital equipment purchased with PLB funds will be reviewed during on-site visits for utilization and consistency with the business justification and anticipated outcomes presented with the application for funds.
- 6) All capital items purchased with PLB funds shall be depreciated in accordance with generally accepted accounting principles (GAAP).
 - 7) Agencies will have and maintain adequate comprehensive property insurance for all capital items purchased, constructed or renovated in part or in full with PLB funds to assure replacement of the agency's capital assets in the event of a loss due to an insurable event. Documentation of insurance shall be submitted to the PLB on an annual basis.
 - 8) If capital items purchased, constructed or renovated with PLB funds are found not to be used during a consecutive six-month period of time for as long as the capital items are owned by the agency, they will be made available to the PLB for reassignment to another agency, or for sale, with proceeds returning to the PLB.
 - 9) PLB approval is required prior to selling, trading or reassigning any capital items purchased, constructed or renovated with PLB funds. The date and method of disposition shall be reported on the annual PLB Agency Inventory Tracking Report.
 - 10) If capital items purchased with PLB funds are no longer being utilized by PLB eligible individuals, the agency shall be required to repay to PLB the pro-rated, net-book value of the capital items, or make the capital items available to the PLB for reassignment to another agency. (The repayment amount will be the PLB portion of the cost of the capital items less the depreciation charged against the assets by the agency on its books during the period of ownership.) Any sum due the Board under this provision shall be paid in full within ninety (90) days from the date of disposition.

11.3.3.1 Vehicle Acquisition

The PLB will consider granting funds to an agency for no more than 20% of the cost to purchase vehicles that are used primarily for transporting St. Louis County residents with developmental disabilities to St. Louis County sheltered workshops. The PLB will consider exceptions to the 20% maximum for agencies not eligible for Section 5309 or 5310 funding from the Federal Transit Administration. If PLB funds are requested to replace existing agency vehicles, PLB may require the agency to reduce the costs to the PLB by the "book" or trade-in value of the vehicle to be replaced.

- 1) PLB will consider applications for funds to purchase the equivalent of no more than one-third (1/3) of the agency's vehicle fleet during a one-year period.

- 2) If funds appropriated remain at the end of the fiscal year, they will carry over to future fiscal years until utilized.
- 3) All accessible vehicles purchased with PLB funds must comply with the standards of the Federal Transit Authority, pursuant to Title II of the Americans with Disabilities Act.
- 4) Applications for funds will be considered for replacement of agency vehicles only when the odometer reading is at least 150,000 miles and the vehicle is five (5) years old, or it can be demonstrated that the vehicle is inoperable due to accident or total mechanical failure not caused by negligent maintenance.
- 5) It is the intent of this policy to encourage the use of other sources of funding available for vehicle acquisition/replacement (e.g., Section 5309 and 5310 programs).
- 6) Agencies are required to provide the PLB with vehicle serial numbers and other appropriate identifying information on vehicles purchased with PLB funds, for purposes of monitoring the application of this policy. For vehicles purchased entirely with PLB funds, the vehicle must be titled with the PLB listed as the first lien holder and PLB will physically hold the title for the duration of time the agency owns the vehicle. For vehicles purchased with Section 5309 or 5310 funding from the Federal Transit Authority, the vehicle must be titled with PLB listed as the second lien holder. The Missouri Department of Transportation will physically hold the title. A copy of the lien must be submitted to the PLB. (see the Vehicle Addendum form)
- 7) Agencies are required to submit an annual PLB Agency Inventory Tracking Report as long as the vehicle is in service, including service as a backup vehicle.
- 8) Unless a vehicle purchased with PLB funds is sold outright or traded in at the time of replacement, the vehicle must be maintained in use for St. Louis County residents with developmental disabilities. In cases where vehicles have been partially purchased with federal or Missouri Highway and Transportation Department funds, their property management standards shall prevail, with remittance of the sale price to the PLB equal to the PLB's percentage match.
- 9) Agencies must submit a request in writing for PLB's permission to dispose of a vehicle purchased with PLB funds. Vehicles may be sold outright to a third party, transferred to another not-for-profit agency for similar use, or sold by the agency to itself for replacement into another service. The PLB reserves the authority to determine a reasonable sale price and shall use the wholesale value of the vehicle as specified in The Official Bus Blue Book by Bus Solutions, in consideration with straight-line depreciation methods. If a vehicle is sold outright to the agency itself, the agency shall remit the sale proceeds (less \$100 for agency expense) to the PLB within ten (10) days of the sale.

11.3.3.2 Down Payment Assistance

The PLB will accept applications for one-time funding for down payment assistance for community-based affordable housing for St. Louis County residents with developmental disabilities. Funding will be in the form of down payment assistance for each St. Louis County resident identified to occupy the residence. This down payment assistance shall be used to reduce the rent charged to the residents to a level that they can afford to reside in the home, based upon their earned and unearned benefits and income.

Down payment assistance shall be provided with consideration of the number of individuals in the residence and the total purchase price/construction costs, and in no event exceed 30% of the purchase price/construction costs of the property.

- 1) PLB reserves the right to determine the amount of down payment assistance based on the budget for the property and the occupants' ability to pay the rent charged from their earned and unearned incomes.
- 2) PLB approval is required prior to selling, trading or re-assigning any property purchased with PLB funds.
- 3) In accordance with the executed Deeds of Trust, Loan Agreements and Promissory Notes, if the Agency either sells, trades, or ceases to use the property(ies) for the purpose represented in this project, all PLB funds disbursed to the Agency for this project, less any amounts previously repaid, shall be repaid to the PLB.

Housing shall be acquired subsequent to the identification of the residents so that their specific needs and choices such as location, proximity to their jobs and community services, transportation and accessibility are addressed. In addition, in order to preserve the dignity of individuals and their right to privacy, housing should be shared by no more than what is typical for the non-disabled population (i.e., three or four people), and every adult should have a separate bedroom unless he or she requests to share a bedroom with another adult in the same household.

Housing shall not be owned or controlled by the lead Agency providing services, to ensure that residents will not be forced to move if/when they choose to change support providers.

In the event one of the initial residents leaves the home subsequent to disbursement of PLB funds, the Agency shall notify the PLB within 30 days, and if within a period of six months, another PLB eligible St. Louis County resident has not been identified to move into the property, repayment may be required by the PLB.

Down payment assistance requests are limited to the availability of funds. (See the Application - Residential Capital Down Payment Assistance form)

11.3.3.3 Housing Renovation and Repair

PLB will consider funding applications for renovations/repairs to residential housing located in St. Louis County and occupied by St. Louis County residents with developmental disabilities.

Consideration will be given to funding proposals for residential renovations/repairs that address at least one of the following:

- 1) Improvement in sub-standard housing that will significantly improve the health and safety of St. Louis County residents with developmental disabilities;
- 2) Need for more accessible housing due to age and/or health status of the individuals;
- 3) Other significant life circumstances as determined by the PLB.

Requests for housing renovations/repairs will be considered with the following general priority and subject also to the priorities in paragraph 1:

- 1) Priority will be given to requests from applicants where the PLB has provided a loan/down payment assistance to purchase the property (housing).
- 2) Priority will also be given to housing where residential supports are provided through the PLB's Independent Supported Living Assistance (ISLA) Program.

- 3) Consideration will also be given to requests from applicants where the PLB has had no financial investment in the property (housing) and/or the residential supports provided to the individuals served.

Housing renovations/repairs requests are limited to the availability of funds.

(See the Application - Residential Capital Renovations and Repairs form)

11.3.3.4 Sheltered Workshop Capital Improvement and Equipment

The PLB may consider funding Sheltered Workshop Capital Improvement and Equipment located in St. Louis County for the following capital needs:

- Capital expansion
- Capital improvements
- Equipment that has an essential business function

The Sheltered Workshop Capital Improvement and Equipment pool will be allocated based on the square footage of each sheltered workshop to the total square footage of all St. Louis County sheltered workshops. The purpose of these funds is to maintain the health and safety of the workshop facilities and provide equipment to support the employment of St. Louis County residents with developmental disabilities.

Each sheltered workshop's Capital Improvement and Equipment Fund balance will be capped annually at two (2) times their FY'12 allocation (after transfer of 35% to operations). Annual balances will be determined as of June 30 each year. Any capital improvement and equipment expenditures approved prior to June 30, but paid after June 30 will be deducted from the June 30 balance before determining the annual appropriation from each workshop's annual allocation, not to exceed their established cap.

Funds approved and not expended by the end of the fiscal year that exceed the two (2) year cap will be canceled.

A request to carryover funds not expended by the end of the fiscal year that exceeds the two (2) year cap may be submitted for consideration if identified capital needs exceed the agency's June 30 capital appropriation balance. The request must identify the business justification for the specific capital improvements and/or equipment, the cost of the items requested and a timeline for expenditure, not to exceed one year. Funds not expended within the specifications of the original request will be canceled.

These funds will be administered with the following conditions:

- 1) Requests will be considered for one-time costs for capital improvements to sheltered workshop facilities and capital items that have an essential business function.
- 2) Costs will be reimbursed upon submission of a PLB Invoice of Expenditures and the following required documentation:
 - a) Three bids for the purchase of non-consumable capital items including equipment, construction, renovations and other capital requests when the unit cost is \$1,000 or more. The bid protocol for Capital Items will apply. (Policies Related to Capital Items, General Guidelines)
 - b) Statement of business justification for production equipment. (Policies Related to Capital Items, General Guidelines)
 - c) Paid invoice(s) for the item(s) purchased.

- d) Lien waivers will be provided for any building construction and renovations.
- e) To accommodate cash flow difficulties, a request to pay the vendor directly may be submitted.
- 3) The monthly PLB Invoice of Expenditures provides the original amount of funds approved, year-to-date expenditures and remaining balance.

11.3.3.5 Sheltered Workshop Construction and Renovation

The PLB may consider funding Sheltered Workshop Construction and Renovation for new construction, renovation and/or repair following these guidelines.

For Sheltered Workshop construction and renovation requests; (Sheltered Workshops Checklist and Procedures for Construction/Renovation Projects), (Sheltered Workshops Funding Request Procedure Guidebook), and (Sheltered Workshops Sample Construction Bid Document).

- 1) The PLB and/or its agents reserve the right to:
 - a) Review and approve all contractual agreements related to the projects;
 - b) Review and approve all original and revised project plans, including but not limited to design, cost, appraisal, regulatory requirements, zoning issues, and proposed services;
 - c) Monitor the progress of the renovation and, at the PLB's discretion, certify satisfactory percentage of completion prior to funds disbursement.
- 2) The verification of the sheltered workshop's waiting list must be completed and submitted with the sheltered workshop's request for expansion. (Procedure for Verification of Sheltered Workshop Waiting List)
- 3) All construction and renovation projects shall comply with the requirements of Chapter 290 RSMo. as they apply to public works (construction and renovation projects paid for wholly or in part out of public funds).
- 4) In accordance with the executed Deeds of Trust, Loan Agreements and Promissory Notes, if the Agency either sells or trades the facility that was purchased, constructed and/or renovated with PLB funds, or ceases to provide the same services at such facility, all PLB funds disbursed to the Agency for this project, less any amounts previously repaid, shall be repaid to the PLB.
- 5) In accordance with the Restrictive Covenants, if the Agency either sells or trades the facility that was purchased, constructed and/or renovated with PLB funds, or ceases to provide the same services at such facility, then all or part of PLB funds disbursed to the Agency for this project shall be repaid to the PLB. The amount of funds to be repaid to the PLB will be calculated as follows: Total amount of funds disbursed, less one tenth per year for each year the property is used for the purpose represented in the project. The PLB reserves the right to require an Agency to repay the total amount of funds granted for renovations if the Agency sells their facility or ceases to provide the same service.
- 6) If the facility is sold and the PLB has provided prior approval of the Agency's plans to reinvest the sale proceeds in another facility to be used for the same purpose, the Agency shall be liable to refund only the excess sale proceeds not reinvested in the new facility. This refund shall be limited to the amount of the grant provided to the Agency.
- 7) If the Agency ceases to provide the same services at such facility, but continues to use the facility in a manner that would otherwise meet the statutory and policy requirements of the PLB, no refund of the grant provided shall be required as long as the Agency receives prior approval from the PLB. Any

change in the services rendered at the facility may be made only after application to and written approval from the PLB.

11.3.4. Assigned Funds for ISLA and Supported Employment

Assigned Funds Service Guidelines	
Service Definition	Assigned funds for ISLA and Supported Employment services, which may be available to agencies who have supported individuals in excess of their annual appropriation.
Agency Eligibility Requirements	Agency must be a currently funded ISLA or Supported Employment provider. It is the agency’s responsibility to plan for and budget accordingly to cover the costs to continue providing support to the new individuals on an annual basis within the agency’s current appropriation. When additional funds are needed, the agency must document the need for additional units to support a new individual or an existing individual with increased support needs.
Request Process	The agency must apply for additional units using the “Request for Assigned Funds” form. The agency must project the additional units to be requested for the remainder of the fiscal year per person, and also submit a request for ongoing funding for the next fiscal year. The agency must obtain a signed Board Resolution that notifies the PLB that the Agency’s Board of Directors has approved the agency to apply for funding.
Review Process	PLB staff will review the request and verify the need for additional units based on year-to-date utilization and funds available. PLB staff will submit their recommendation for additional funds to the appropriate Committee and notify the agency of the Board’s decision. If additional units are approved, PLB staff will transfer the approved units from the Assigned Funds to the agency’s project.

11.4. APPROVAL PROCESS

Service Profiles and Funding Requests are received and evaluated by PLB staff. Agencies may be asked to provide additional information as needed.

Service Profile, Funding Request information and staff evaluations are forwarded to the applicable PLB committee for review. Agencies will be notified in advance of committee meetings and are encouraged to attend as they may be asked to answer questions related to their Funding Request. Committees will formulate a recommendation to the full Board for approval or denial. The Board takes action on the committee recommendations. Action may involve approval, deferral, or denial of the Funding Request,

or referral back to the committee for further review and clarification. The full Board makes final determinations. A Funding Contract will be sent to the agency, with Statements of Work for each approved service.

11.5. REPORTING & MONITORING

11.5.1 Audited Unit Cost Report

PLB reviews and verifies the Audited Unit Cost every few years, more often if deemed necessary. The following information regarding allowable expenses is intended to:

- Assist the agency in ensuring an Audited Unit Cost Report/Summary is completed that meets PLB's requirements; and
- Introduce optional Schedules that agencies may find beneficial

The report/summary is a schedule which categorizes and summarizes the various costs categories and units involved with a funded service. In support of this summary are four optional schedules which provide additional details on the larger cost categories. While not required, these summary schedules clearly define and demonstrate the various components of costs incurred with a funded service.

The Audited Unit Cost Report/Summary (Audited Unit Cost Report/Summary link here) will be prepared annually in the format provided by the PLB. Optional schedules A through D support the completion of the cost report and may be completed and used to demonstrate cost details.

The Audited Unit Cost Report/Summary shall identify the agency name, fiscal year end date, PLB project number of funded service or name associated with the service.

Funded service expenses are categorized as direct or indirect expenses. Direct expenses represent those expenses that are incurred as a direct result of providing a service. Indirect expenses represent management and general expenses that are allocated in support of that service.

Direct Service Expenses - All direct expenses shall be supported by appropriate documentation. If costs are allocated by expense category (e.g. facility costs) or if management and general costs are allocated in total, the method of allocation shall be documented in writing and reviewed annually. Any costs not applicable to the funded service, even if they are included in management and general costs shall be excluded in the cost allocation (e.g. bad debts, etc.). The methodology for determining cost allocations may vary for different costs and should reasonably reflect the actual cost for that particular funded service. (e.g. rent and utilities may be allocated based on square footage, management and general costs may be allocated based on total agency costs, etc.)

- 1) Personnel Costs - Wages represent salary expenses for program staff providing direct service and other staff whose time is devoted directly to this service. Examples of eligible functions include direct support of individuals, supervision of direct support staff and program coordination. Salary expenses must be properly allocated to reflect the staff person's percentage of time in this service. Administrative staff wages shall be included as an indirect expense and allocated as part of management and general expenses. When staff works in various projects during the fiscal year that varies from the budget allocation, the percentages need to be adjusted to reflect the actual time worked in each service.

- a) Line 1 Personnel Costs – Wages, on the Audited Unit Cost Report equals the total from Schedule A Personnel Costs – Wages.
- b) Schedule A instructions (Schedule A) OPTIONAL
- 2) Benefits Costs - Represent fringe benefit expenses incurred by the agency for the staff whose time is devoted directly to this service as reported on Schedule A. Examples of eligible fringe benefit expenses are included on Schedule B, such as employer FICA match, workers' compensation premiums, retirement plan contributions, as well as various employer paid insurance coverage.
 - a) Line 2 Benefits Costs – Benefits, on the Audited Unit Cost Report equals the total from Schedule B Benefits Costs.
 - b) Schedule B instructions (Schedule B) OPTIONAL
- 3) Consumable Service Equipment/Supplies - Includes expenses that are directly incurred to provide the service. Examples of eligible expenses include, first aid supplies, linens (for in-facility projects), activities, supplies, etc.
- 4) Office Equipment and Supplies - Includes expenses that are directly incurred in order to provide the service. Examples of eligible expenses include printing/copying supplies, envelopes, administrative office supplies, computer supplies, equipment leases, and depreciation expense for equipment. All expenses shall be properly allocated to reflect the percentage directly related to this service. Any direct administrative costs shall be deducted/excluded from the Administrative Allocation (indirect expenses) calculation.
- 5) Facility Costs - Includes expenses that are directly incurred to provide the service as identified on Schedule C. All expenses shall be properly allocated to reflect the percentage directly related to this service.
 - a) Line 5 Facility Costs on the Audited Unit Cost Report equals the total from Schedule C Facility Costs.
 - b) Schedule C instructions (Schedule C) OPTIONAL
- 6) Communication - Includes expenses that are directly incurred to provide the service. Examples of eligible expenses include pager and cellular phone services, postage, printing, etc. All expenses shall be properly allocated to reflect the percentage directly related to this service.
- 7) Staff Training- Includes expenses directly incurred for staff to remain current on required training, practices and standards, and to acquire new skills. Examples of eligible expenses include reasonable conference registration fees, travel expenses related to conferences, tuition costs, fees paid to group trainers (such as CPR training), etc. All expenses shall be properly allocated to reflect the percentage directly related to this service.
- 8) Staff Travel - Includes expenses directly incurred to provide the service.
 - a) Schedule D instructions (Schedule D) - This schedule only needs to include those services where the staff travel expense is equal to or greater than 5% of the total service expenses. OPTIONAL
- 9) Vehicle Operating Costs - Expenses for agency owned or leased vehicles include expenses directly related to providing the service. Examples of eligible expenses include vehicle rental, gasoline, vehicle repairs, and preventive maintenance. All expenses shall be properly allocated to reflect the percentage of vehicle operating costs directly related to this service.
- 10) Professional Services/Fees - Include expenses directly related to provide this service. Examples of eligible expenses include consulting fees, interpreters, licensing renewals and legal or audit fees directly related to the service. These expenses do not include general agency professional fees such

as legal or audit fees – these types of professional fees may be allocated as an indirect administrative allocation.

- 11) Client Assistance - Includes expenses that directly benefit the individual, such as attending an event or activity which fits within the scope of the project's service definition. All expenses shall be properly allocated to reflect the percentage directly related to this service. This does not include items outside of the Service Definition of the project such as items that an individual could not afford and the agency elected to purchase for the individual (e.g. household supplies, groceries, medication, etc.). This type of benevolent assistance is to be funded through the agency's fundraising efforts or other sources and shall not be included in the Audited Unit Cost Report.
- 12) Food - Includes costs directly benefiting the individual and directly related to the service provided, such as in-facility residential and camp projects. All expenses shall be properly allocated to reflect the percentage directly related to this service. Agency food expenses, such as staff meals, should not be included in the Audited Unit Cost Report.
- 13) Total Direct Expense - Once all Direct Expenses have been reported on the Audited Unit Cost Report, total the Project Direct Expenses on the Audited Unit Cost Report.
- 14) Administrative expenses cannot exceed 15% of the agency's total service expense and should not include fundraising costs. Examples of eligible expenses include insurance, other professional fees, allocated wages and benefits of support staff (e.g. finance, human resources etc.), information technology expenses, etc.
- 15) Total Service Costs - Once all expenses have been reported, total the Project Expenses on the Audited Unit Cost Report.
- 16) Total Units Provided - Enter the total number of units of service provided during the fiscal year. If total service expense is for PLB funded service only, include only units applicable to PLB service. If total service expense is for a service that includes funding by other sources, include all units.
 - a) Cost Per Unit - Divide the total service expenses by the total units provided to calculate the Cost per Unit.
